SUMMARY

NIEPID (formerly known as NIMH), established in 1984, undertakes multifarious activities to enhance the quality of life of persons with Intellectual Disability. The functional objectives are:

- To create manpower and develop Human Resources for delivery of services to Persons with Intellectual Disability.
- To identify, conduct and coordinate research in the area of Intellectual Disability in the country.
- To develop appropriate models of care and habilitation for persons with Intellectual Disability suitable to Indian culture.
- To provide consultancy services to voluntary organizations in the area of Intellectual Disability.
- To serve as a documentation and information centre in the area of Intellectual Disability.
- To develop community-based rehabilitation services in the rural and low-income needy population.
- To undertake extension and outreach programmes in the field of Intellectual Disability.

Intellectual Disability

Intellectual Disability ranks among the world's most complex and challenging problems. According to the Census of India, 2011, the number of differently-abled persons in the country is 2.68 crores, and the number of persons with Intellectual Disability is 15,05,624. It means the prevalence of Intellectual Disability is estimated to be 124 per a lakh population in India.

About the Institute

NIEPID has its headquarters at Secunderabad, Telangana. It has seven departments, namely Rehabilitation Psychology, Special Education, Medical Sciences, Therapeutics, Adult Independent Living, Community Rehabilitation & Project Management and Library & Information Sciences.

It has three Regional Centres, each located at Noida/New Delhi, Kolkata and Navi Mumbai. NIEPID has a Model Special Education Centre in New Delhi / Noida. It also has three Composite Regional Centres for Skill Development, Rehabilitation and Empowerment of persons with disability at Nellore in Andhra Pradesh state, Davanagere in Karnataka State and Rajnandgaon in Chhattisgarh state.

Human Resource Development

During the year, 508 professionals / personnel were enrolled / trained through 10 long term academic programmes conducted at NIEPID HQs, its Regional Centres and CRCs.

The Institute conducted 313 online Short Term Training Programmes / Certificate courses / Webinars benefiting 70,647 professionals from special education, psychology, speech therapy, occupational therapy, vocational rehabilitation etc., from various parts of the country.

Research and Development

About the Institute

The National Institute for the Empowerment of Persons with Intellectual Disabilities NIEPID, (Divyangjan), formerly known as National Institute for the Mentally Handicapped, is a registered society established in the year 1984 as an autonomous body under the Department of Empowerment of Persons with Disabilities (Divyangjan), Ministry of Social Justice and Empowerment, Government of India. The institute is an apex body having tripartite functions of training, research and services in the field of Intellectual Disability in the country.

For the last 39 years, the Institute has been making significant advances in building capacities to empower persons with Intellectual Disability. Based on the latest developments and recent trends in the field, the Institute strives to organize new programmes and make innovations through research and development. National and International collaborations entered into by the Institute in its various activities reflect the global characteristics of the organization. The activities of NIEPID are planned following the mandates of the United Nations Convention on the Rights of Persons with Disabilities (UNCRPD), the Legislative Acts, and the National Policy promulgated for the Persons with Disabilities.

NIEPID strives to be an Institute of excellence focusing on high standards in every aspect of its functioning to bring equality and dignity in the lives of persons with Intellectual Disability (PwID), which is endorsed by ISO 9001:2015 certification.

NIEPID has made noticeable progress in Human Resource Development, Research and Development and Direct Therapeutic Services to improve the quality of life of persons with Intellectual Disability.

1.2 Intellectual Disability

Intellectual Disability ranks among the world's most complex and challenging problems. It is a multi-dimensional phenomenon involving bio-psycho-social factors.

It is a condition of arrested or incomplete development of the mind, primarily characterized by impairment of skills manifested during the developmental period. These skills contribute to the overall level of intelligence, i.e., cognitive, language, motor and social abilities.

According to the RPWD Act, 2016, "Intellectual disability is a condition characterized by significant limitation both in intellectual functioning (reasoning, learning, problem-solving) and in adaptive behaviour which covers a range of every day, social and practical skills."

1.3 Prevalence of Intellectual Disabilities

According to the Census of India, 2011, the number of differently-abled persons in the country is 2.68 crores. It is also estimated that the number of persons with Intellectual Disability is 1,505,624. It means in every one lakh persons in our total population, 124 persons have Intellectual Disability. The number of persons with disabilities and Intellectual Disability as estimated by Census India 2011 is given in Table 1 and Table 2.

Table 1: Census of India 2011: Data on Disability

Disabled Population by Type of Disability India: 2011			
Type of Disability	Persons	Males	Females
Total Disability	26,810,557	14,986,202	11,824,355
Intellectual Disability	1,505,624	8,70,708	6,34,916

Table 2: Intellectual Disability-Population India, - Census- 2011

1.4 Objectives

NIEPID, at its inception itself, projected multifarious activities to enhance the quality of life of persons with Intellectual Disability. Accordingly, the aims and objectives of the society have been spelt out as follows:

- To conduct, sponsor, coordinate or subsidize research into all aspects of the education and rehabilitation of Persons with Intellectual Disability.
- To undertake, sponsor, coordinate or subsidize research into bio-medical engineering leading to the practical evaluation of aids/suitable surgical or medical procedure or the development of new aids.
- To undertake or sponsor the training of trainees and teachers, employment of officers, psychologists, vocational counsellors, and other personnel as may be deemed necessary by the Institute for promoting the education, training, or rehabilitation of Persons with Intellectual Disability.
- To distribute or promote or subsidize the manufacture of proto-types and distribution of any or all aids designed to promote any aspects of the education, rehabilitation or therapy of Persons with Intellectual Disability.

From the above aims and objectives, the following functional objectives evolved:

1.4.1 NIEPID Objectives

- To create manpower and develop Human Resources for delivery of services to Persons with Intellectual Disability.
- To identify, conduct and coordinate research in the area of Intellectual Disability in the country.
- To develop appropriate models of care and habilitation for Persons with Intellectual disabilities suitable to Indian culture.
- To provide consultancy services to voluntary organizations in the area of Intellectual Disability.
- To serve as a documentation and information centre in the area of Intellectual Disability.
- To develop community-based rehabilitation services for the rural and low income disadvantaged population.
- To undertake extension and outreach programmes in the field of Intellectual Disability.

1.4.2 Organizational Setup

NIEPID has its headquarters at Secunderabad, Telangana. It has seven departments, namely Rehabilitation Psychology, Special Education, Medical Sciences, Therapeutics, Adult Independent Living, Community Rehabilitation & Project Management and Library & Information Sciences.

There are three Regional Centres, each located at New Delhi /Noida, Kolkata and Navi Mumbai. NIEPID has a Model Special Education Centre in New Delhi and Noida. Composite Regional Centre at Nellore was set up in January 2016, and it was shifted to its permanent building in February 2019. NIEPID set up CRC at Davanagere in Karnataka State in March 2017 and currently running in temporary premises provided by the State Government of Karnataka. Construction of the permanent building is in progress. The administrative control of CRC at Rajnandgaon in Chhattisgarh State was transferred to NIEPID in May 2020. The organizational chart depicting the overall functioning of NIEPID is shown in **Appendix C (Page -92)**.

1.4.3 Functioning of Regional Centres

1.4.3.1 Regional Centre, Noida & New Delhi (RC, Noida & New Delhi)

NIEPID Regional Centre, New Delhi, was established in February 1986 at Kasturba Niketan, Lajpat Nagar-II, New Delhi, to provide the best educational climate where every professional can develop their maximum potential in the field of Intellectual Disability. During 2022-23, the centre conducted three long-term courses approved by RCI, namely:

- M.Ed in Special Education (ID)
- D.Ed. in Special Education (IDD)
- B.Ed. in Special Education (ID)

It also conducts short-term programmes for professionals working in the field of Intellectual Disability every year. In addition to this, the centre provides services to clients having delayed development/Intellectual Disability. The centre conducts awareness camps and screening camps as part of its extension and outreach activity. The centre also provides technical support to local NGOs working in the field of Intellectual Disability. The centre had set up “ANKUR”, an Early Intervention Centre, in 1990 for providing services to children below 5 yrs of age. RC, New Delhi also extends its support to students from different professional colleges for their internships. RC, New Delhi had shifted its activities to its permanent building at Noida in February 2015.

1.4.3.2 Regional Centre, Kolkata (RC, Kolkata)

NIEPID Regional Centre, Kolkata, was established in March 1986 in the National Institute for the Orthopedically Handicapped campus, Bonhooghly, B.T.Road, Kolkata- 700090. During 2022-23, the centre conducted five long-term courses approved by RCI, namely:

- M.Ed in Special Education (ID)
- B.Ed. in Special Education (ID)
- B.Ed in Special Education (ID – Open Distance Learning(ODL)
- D.Ed. in Special Education (ID)
- Diploma in Vocational Rehabilitation (ID)

The centre conducts short term training programmes for professionals and parents every year. There is a special clinic for early identification and intervention for the child's overall development for children at risk of Intellectual Disability. Services in special education, psychology, vocational training and early intervention are provided in the centre.

Placement of students is allowed for undergraduate and postgraduate students from the areas related to the field of Intellectual Disability. The centre conducts awareness camps and screening camps apart from its extension and outreach activity. The centre also provides technical support to NGOs working in the field of Intellectual Disability.

1.4.3.3 Regional Centre, Navi Mumbai (RC, Navi Mumbai)

NIEPID, Regional Centre, Navi Mumbai, was started on the campus of Ali Yavar Jung National Institute for the Hearing Handicapped, Mumbai, in the year 1987. This centre was established to cater to the needs of the Western Region, covering the states of Rajasthan, Gujarat, Maharashtra, Madhya Pradesh, Goa, Lakshadweep and Daman & Diu. To ensure the expansion of activities, the Centre was shifted to Navi Mumbai in the year 2004. The new building of the centre was inaugurated on 24th December 2021 at Plot 44A, Sector 5, Kharghar, Navi Mumbai, which is one of the state-of-art building with complete accessibility features through which the centre is now able to extend its services to Persons with Intellectual and Developmental Disabilities (Divyangjan).

In the year 2022-23, the centre conducted five long-term courses, namely:

- M.Ed in Special Education (ID)
- B.Ed. in Special Education (ID)
- D.Ed. in Special Education (IDD)
- Diploma in Early Childhood Special Education (ID)
- Diploma in Vocational Rehabilitation (ID)

The centre offers services in Special Education, Psychology, Speech & Language and Occupational Therapy to persons with Intellectual Disability. Short-term programmes, Parent Training Programmes, Awareness programmes and IQ Assessment Camps are conducted through this centre. The services offered by the centre includes Psychological assessment, Behaviour Management, Parent Counselling, Early Intervention Special Education Assessment and Intervention, Physiotherapy, Occupational Therapy, Vocational Assessment, Skill Training, Family cottage, etc.

1.4.3.4 NIEPID Model Special Education Centre, Noida & New Delhi

NIEPID Model Special Education Centre (MSEC) was established in 1964 by Govt. of India at Kasturba Niketan, Lajpat Nagar-II, New Delhi - 110024. The centre was started to provide specialized and comprehensive services to persons with Intellectual Disabilities. The centre has been functioning under NIEPID since 1986. The school is equipped with qualified professionals providing quality services to persons with Intellectual Disability.

The centre extends its support in providing education and training to empower persons with Intellectual Disability. The school has both residential and day care facility. The service activities include psychological assessment, parent counselling, home-based training. The centre also conducts short-term training programmes for professionals, parents and sibling training programmes. Students from other organizations and institutes are placed in the centre for training. The centre also conducts regular curricular and co-curricular activities for the children enrolled at the centre. NIEPID-MSEC was shifted to its permanent building at Noida in February 2015 while retaining the existing school facility at Lajpat Nagar- New Delhi through online mode. The MSEC also started Inclusive set up where atypically developed children are given admission along with children with ID / other developmental disabilities for inclusion of the ID / developmental disabilities children into the society.

1.4.3.5 Composite Regional Centre for Skill Development, Rehabilitation and Empowerment of Persons with Disabilities (CRC), Davanagere

NIEPID had initiated the setting up of CRC at Davanagere in Karnataka State in March 2017. Composite Regional Centre (CRC), Davanagere is a service modality under the Department of Empowerment of Persons with Disabilities (Divyangjan), Ministry of Social Justice & Empowerment, Govt. of India on 13th February 2017. CRC, Davanagere functions under the administrative control of the National Institute for the Empowerment of Persons with Intellectual Disabilities (NIEPID), Secunderabad. CRC, Davanagere creates resources and infrastructure required for developing services for persons with disabilities in the State of Karnataka. The institute thrives on empowering Persons with Disabilities to realize their fullest potential and participate equally in all aspects of life.

The CRC is currently located in the space constructed for skill development training for the disabled provided by the Govt. of Karnataka. Presently, the clinical services and academic activities are being run from the temporary space provided in the Skill Development Training Programme building.

1.4.3.6 Composite Regional Centre for Skill Development, Rehabilitation and Empowerment of Persons with Disabilities (CRC), Nellore

NIEPID established Composite Regional Centre at Nellore, Andhra Pradesh on 3rd January 2016. CRC is an extended arm of the National Institute for the Empowerment of Persons with Intellectual Disabilities (Divyangjan) under the administrative control of the Department of Empowerment Persons with Disabilities (Divyangjan), Ministry of Social Justice and Empowerment, Govt. of India. All the therapeutic and rehabilitation services are being provided to PWDs since day one. The team consisting of Medical professionals, Psychologists, Special Educators, Therapeutic Experts (Speech Therapy, Occupational Therapy, and Physiotherapy), Early Interventionists, Orientation & Mobility Instructors, Prosthetic & Orthotic Engineers, vocational counsellors, Trainers and Rehabilitation Officers provide services to the PWDs.

1.4.3.7 Composite Regional Centre for Skill Development, Rehabilitation and Empowerment of Persons with Disabilities (CRC), Rajnandgaon

The Composite Regional Centre, Rajnandgaon, is an extension of the National Institute for the Empowerment of Persons with Intellectual Disability (NIEPID) Secunderabad. It was established on 25th June 2016 to extend services that cater to multiple and diverse disabilities under one roof. The administrative control of the centre was transferred to NIEPID w.e.f 1st May 2020. Today, it is fully equipped and functional to provide rehabilitative and educational services to all types of disabilities. It is located at Old Hospital Campus Rajnandgaon, CRC offers end-to-end solutions for the Divyangjan in Chhattisgarh. Its services range from academic to clinical, and the centre is committed for the cause of the Divyangjan. Persons having different disabilities served by CRC include persons with Locomotor Disability, Blindness, Low-vision, Hearing Impairment, Intellectual Disability, Mental Illness, Leprosy Cured, Cerebral Palsy, Autism Spectrum Disorder, and Multiple Disabilities of all ages. Particular emphasis is given to early intervention.

Human Resource Development

Human Resource Development aims to achieve the most crucial objective of competency development and capacity building at all levels. As one of its prime objectives, NIEPID is engaged in a continuous process of competency development in people and creating trained human resources through its HRD programmes to enhance the growth of individuals with disabilities. The policies and programmes of the institute are designed to support and sustain opportunities for continuing acquisition of knowledge, skills, attitudes and competencies which are beneficial to the individual and the society. In human resource development, the primary activities are to conduct long-term and short-term courses, training, workshops and continuing education programmes for professional enculturation. NIEPID organizes national level programmes for professionals, parents and persons with Intellectual Disability on important, relevant themes to build awareness and penetrative thinking in intellectual disability.

2.1 Long-term Courses

In order to promote human resource development, NIEPID is conducting 10 long-term training programmes (4 Diploma courses, 2 Graduate, 3 Post Graduate courses, which include 1 M.Phil programme and CBID course (6 months)) approved by the Rehabilitation Council of India at the Institute's headquarters and its regional centres. These courses are identified and developed as per the need felt in this area. NIEPID conducted 10 long-term training programmes in the year 2022-23. A total of 508 candidates against the strength of 767 were enrolled for the year 2022-23 in different courses at NIEPID HQs, and its regional centres along with CRCs and the details of enrolment (course-wise) are presented in **Table 3**.

Table 3: Details of Overall Enrolment

Year	Courses	Intake Capacity	Enrolment
2020-21	9	569	274 (48.1%)
2021-22	10	713	440 (61.7%)
2022-23	10	767	508 (66.2%)

Table 4: Details of Enrolment of students into various long term courses- 2022-23 (NIEPID HQ, RCs and CRCs)

Sl. No.	Name of the course	Duration	Intake Capacity	Enrolment	Course level
NIEPID HQs					
1	M. Phil in Rehabilitation Psychology (ID)	2	14+1(EWS)	15	PG level
2	M. Ed in Special Education (ID)	2	25+2(EWS)	06	PG level
3	Post Graduation Diploma in Early Intervention	1	20+2(EWS)	20	PG level
4	B. Ed in Special Education (ID)	2	30+3(EWS)	33	Graduate level
5	D.Ed. in Special Education (IDD)	2	35+3(EWS)	18	Diploma level

Note- intake capacity after including 10% EWS quota implementation

2.2 Description of the Academic Programmes

2.2.1 M.Phil. in Rehabilitation Psychology

This is a two-year academic course affiliated to Osmania University, Hyderabad. This course is designed to create rehabilitation psychologists of the highest cadre who will train master trainers and conduct research in psychological aspects to provide comprehensive services to persons with Intellectual Disability and other disabilities.

2.2.2 M.Ed. Special Education (ID)

M.Ed. Special Education (ID) course of two-year duration, conducted at HQs is affiliated to Osmania University, Hyderabad, aims at developing professionals at faculty level in special education. The courses at Regional Centre, Kolkata affiliated to West Bengal State University, Regional Centre, Navi Mumbai affiliated to Mumbai University and Regional Centre Noida affiliated to Guru Gobind Singh Indraprastha University, Delhi.

2.2.3 Postgraduate Diploma in Early Intervention

Children with developmental delay show significant improvement if they are detected early and professional services rendered at an early age. These services are trans-disciplinary in nature and holistic in approach covering child development, physiotherapy, occupational therapy, speech therapy and family intervention. This one year course is affiliated to Osmania University, Hyderabad.

2.2.4 B.Ed. in Special Education (ID)

Keeping in view the need for special teachers at various levels, NIEPID is conducting a two-year B.Ed. in Special Education (ID) at its headquarters affiliated to Osmania University, Regional Centre, Kolkata affiliated to West Bengal State University, Regional Centre, Navi Mumbai affiliated to Mumbai University and Regional Centre Noida affiliated to Guru Gobind Singh Indraprastha University, Delhi.

2.2.5 Diploma in Early Childhood Special Education (Intellectual Disability)

Early Childhood Special Education (ECSE) focuses on children below six years of age and has various modes and approaches in imparting training based on the target group's ability. This demands human resource training to reach out to the families by being a home visitor or itinerant teacher, to manage children with disabilities in regular or special pre-schools. One year Diploma in Early Childhood Special Education course is offered at NIEPID, Secunderabad, and Regional Centre, Navi Mumbai.

2.2.6 D.Ed. Special Education (Intellectual and Developmental Disability)

This two-year diploma course aims at preparing special teachers, who are competent in screening, assessment, education and training of children with Intellectual Disability and associated disabilities. The course is offered at NIEPID, Secunderabad, Regional Centre Kolkata, Regional Centre Noida, Regional Centre Navi Mumbai, CRC Rajnandgaon and CRC Davanagere.

2.2.7 Diploma in Vocational Rehabilitation (Intellectual Disability)

This one-year diploma course aims to prepare Vocational Instructors for imparting Vocational Training Persons with in Intellectual Disability. The course is offered at NIEPID, Secunderabad, Regional Centre Kolkata and Regional Centre Navi Mumbai.

2.2.8 B.Ed. Special Education (ID) - ODL

NIEPID, RC, Kolkata has started two years and six months or Five Semester B.Ed. Special Education (ID)– Open and Distance Learning (ODL) Programme affiliated to Netaji Subhas Open University, Kolkata and recognised by Rehabilitation Council of India, New Delhi from the academic year 2020-21. The total intake capacity of the programme is 40 per year, the successful candidates of this B.Ed. Special Education Programme will be able to obtain a “Registered Professional Certificate” from the Rehabilitation Council of India to work as teachers in special education.

2.2.9 D.Ed. Special Education (Hearing Impairment)

This two-year diploma course aims at preparing special teachers, who are competent in screening, assessment, education and training of children with hearing impairment and associated disabilities and is offered at CRC Nellore and CRC Davanagere.

2.2.10 Community Based Inclusive Development (CBID)

This programme is designed to develop community based professionals for the promotion of Inclusivity in the society through field base support for Persons with Disabilities. This is a 6 months programme recognized by RCI and Monash University, Australia.

2.3 Short-term Training Programmes and Webinars

The short-term training programmes (STP)/Webinars are essentially designed as in-service training for professionals and personnel working in the field of rehabilitation for persons with Intellectual Disability.

During 2022-23, the Institute conducted 313 (including webinars at RCs and CRCs) short-term training programmes/webinars, benefiting 70,647 professionals. The programme versus professionals' ratio is as follows:

Table 5: Programmes Vs Professional Ratio in STP

Year	Programmes	Professionals	Ratio
2020-21	181	25,447	1:140
2021-22	381	34,710	1:91
2022-23	313	70,647	1:225

Short term programmes, usually conducted for two days or more for professionals registered with RCI, are equivalent to Continuing Rehabilitation Education (CRE) programme of the Rehabilitation Council of India. The details of short-term courses are given in **Appendix - E (page 102)**

Research and Development

Chapter 3

Research and Development is one of the crucial objectives of NIEPID. An analysis of the R & D Projects completed at NIEPID during the last 39 years reveals that the central focus of the R & D has been in applied research. Considering the research requirement in the field, proposals are presented and approved by designated committees such as the Academic Committee and Ethics Committee of the Institute before initiating the project. The proposals are initially discussed at the Departmental level and regular faculty meet level before submitting them to the Academic Committee. Further, all the R&D projects are submitted for the approval of the Ethics Committee of NIEPID. So far, 75 research projects have been completed in collaboration with various national and international agencies such as US- India Rupee Fund, UNICEF, UNDP, ICSSR and S&T Mission Mode, and the Projects funded by the Institute. The outcome of the completed Research Projects is as follows:

Table 6: Outcome of the completed Research Projects

Sl.No.	Outcome	Number
1.	Books published	225
2.	Pamphlets/Booklets	37
3.	Posters	28
4.	Screening Tools	11
5.	Radio Spots	11
6.	Service Models	5
7.	Video Films/CAI software packages	25

I – Awareness (3)	VI – Vocational & Independent Living (12)
II – Early Intervention (8)	VII – Community Based Rehabilitation (8)
III – Psychology (9)	VIII – Information & Communication Technology (4)
IV – Special Education (15)	IX – Management (3)
V – Therapeutics (13)	Total Projects = 75

3.1 Research Projects (2022-23):

During the year 2022-23, one project has been completed and three projects are ongoing. Three new research proposals were submitted to the Central Sector Scheme on Research and Development, DEPwD, MSJ&E for funding approval. The status of the research projects is presented in **Table-7**.

3.1.1 Description of the Completed Research Project:

1. DISAAA: Development of an Integrated Solution for Automatic Assessment of Autism using Visual Attention, Facial Expression and Vocal Emotion Cues

This is a collaborated project where NIEPID is a technical partner with CDAC Kolkata, CDAC Noida. This is applied research, where the machine learning-based system will be developed to assess the parameters mentioned above in children with Autism. MeitY funds this project, and the total duration is 24 months.

The objectives of the project are as follows –

- Development of Automatic Assessment Tool for Autism based on Visual Attention (both Attention Analysis and Eye Gaze), Facial Expression Recognition and Vocal Emotion Recognition using Artificial Intelligence (AI) based latest techniques like Deep Learning

- b. Development of Machine Learning based algorithms for accurate quantification of intensity (degree) of attention, expression and emotion for basic prototypic expressions.
- c. Designing and Development of stimulus for an intervention program for the training of children with Autism
- d. Pan-India deployment of Automatic Assessment Tool for Autism as an assistive tool for monitoring the cognitive improvement of children with Autism

In this project, three modules (desktop-based, browser-based, and mobile App) were developed to enhance learning based on stimulus for specially-abled children with Autism. Computer lab for data collection was established. New version of software and mobile software is developed.

The project deliverables are given below:

- a. Digital ISAA for assessment record maintenance.
- b. Data collection sub-system for stimuli playing and capturing eye movement, visual attention and facial expression related features from ASD child.
- c. AI-ML based automated system for assessment of autism from typically developing children based on eye-gaze, attention and facial expression has been completed and validated.
- d. Web based application for stimuli playing and Audio-video data collection for verbal response capture and analysis for AIML based models.
- e. Mobile app with Autism Screening Questionnaires.

3.1.2 Description of the Ongoing Research Projects:

1. Development of an Indian Test of Intelligence - Phase - II

There is a plethora of tests and tools available for the assessment of intelligence suitable for Indian conditions. Most of these tests are complex, time-consuming and need highly-trained specialists. There is a dearth of such specialists in large numbers in our country; hence many persons with Intellectual Disability have not been able to access government concessions and social benefits. The aim of this study, therefore, is to develop an Indian Test of Intelligence. The test so developed will be helpful in the assessment of the intellectual level of persons with Intellectual Disability so that they can avail government concessions and social benefits. The project results can also be used for planning intervention programs based on strengths and weaknesses found in an individual. Tool development and pilot testing are completed. In phase -II i.e., data was collected from 11 states from 4070 participants. Test Re-test and Validity study is also in progress. Data Analysis and interpretation is currently in progress.

2. Promoting Self- Determination for independent living

Self-determination is a concept reflecting the belief that individuals have the right to direct their own lives. People with intellectual disabilities who have self-determination skills have stronger chances of success in transitioning to adulthood, including employment and independence. Self-determination is the ability of individuals to control their lives, achieve self-defined goals, and participate fully in society. Furthermore, this independence could be developed through Self-directed IEP. It intends to promote the active participation of children with intellectual disabilities in assessment, planning, intervention, and evaluation to develop self- determination skills. This study will try to find out the effect of self-directed IEP in developing Self Determination among adults with Intellectual Disability. It will also reflect the practical applicability of Self Determination in the Indian context/ environment. The project envisages the following outcomes. a) Development of manual for promoting self-determination skills in adults with Intellectual Disability. b) Development of assessment tool for Independent Living. Tool development is completed. The data collection and data analysis is in progress. The project is delayed.

3. Impact of early intervention on infants and toddlers with global developmental delays.

The first three years of life is considered a “critical period” in a child's life. The sensory experiences, stimulation & language exposure during this period may determine synaptogenesis, myelination & neuronal connectivity. The brain develops by “experience-dependent” forces where experiences activate specific pathways in the brain, thereby organizing the brain's structure & creating the foundations for all subsequent development & behaviour. The principle is “use it or lose it” & “use it & grow it”. Early Intervention provides continuous multidisciplinary services to infants from birth throughout the first three years of life. It means interventional therapy specified for babies at risk for developmental delay & periodic developmental assessment of all the developmental areas as most of the brain development takes place in the first two years of life. The main objective of the present study is to study the impact of early intervention on the overall development of infants and toddlers with Global Developmental Delay. A review of the literature is in process. DASII tool assessments are completed. Individual interventions are planned and monitored. Data Collection is in progress.

3.1.3 New Projects Approved

The EC has approved the following three new projects. These proposals were submitted to Ministry for seeking funds under the Central Sector Scheme of Research and Development.

1. A study on the association between visual, motor, perception and cognitive abilities of children with disabilities.
2. Development of Academic Achievement Test for Specific Learning Disabilities – A Tool for Educators
3. Exact causes for high number of Divyangjan having intellectual and developmental infirmities in the state of UP, Telangana, Bihar & West Bengal.

Table 7: Status of Research Projects (2022-23)

Sl. No.	Project	Principal Investigator/ Co Investigators	Year of Starting	Estimated year of completion	Budgeted cost (Rs.)	Expenditure upto 31 st March 2023 in (Rs.)	Cost Over run (if any)	Time over run (if any)	Remarks
Completed Projects									
1	DISAAA: Development of an Integrated Solution for Automatic Assessment of Autism using Visual Attention, Facial Expression and Vocal Emotion Cues (in collaboration with CDAC Kolkata)	Dr. Hemanth Singh Keshwal and Ms. Keerthi Sudha Rajput	Jan 2020 (Approved in 119 th EC)	Nov 2022	Rs.184.00 lakhs	--	No	Yes	<ul style="list-style-type: none"> • Mobile app and desktop version has been developed and field tested. • Stimulus designed and digital content is developed. • Data collection sub-system for stimuli playing and capturing eye movement, visual attention and facial expression related features from ASD child. • AI-ML based automated system for assessment of autism from typically developing children based on eye-gaze, attention and facial expression has been completed and validated.
Ongoing Projects									
1	Development of An Indian Test of Intelligence – Phase -II	Dr. R. Shilpa Manogna, Dashrath Choudhari, Keertisudha Rajput, Dr. Ambady K. G, Dr. Sunita Devi	Reinitiated in 2019, January	May , 2023	Rs.40,00,000 Obtained approval under ministry R & D scheme in March, 2016	Rs. 52.01 lakhs	Yes	Yes	<ul style="list-style-type: none"> • Data Collection in 11 states completed. • Test Retest Completed • Validity study Completed. • Data Analysis and report writing in progress.

2	Promoting Self –Determination for Independent Living	Dr. Hemanth Singh Keshwal	Jan, 2019 (revised as per EC minutes of 26 th Dec, 2018)	Dec 2022 (24 months Duration)	Rs.8,28,000 /-	-----	No	Yes	<ul style="list-style-type: none"> Developed self determination assessment tools. Data collection procedures and formats are finalized. Tool development is completed. Data collection delayed. Project work Delayed
3	Impact of early intervention on infants and toddlers with global developmental delays.	Dr. Mary Anurupa, Dr. V. Sravan Reddy and Hrushikesh Deshpande	Jan 2020 (Approved in 119 th EC)	Dec, 2023 24 months	Rs. 13,00,000	-----	No	No	<ul style="list-style-type: none"> ROL is in process Enrollment of clients for the project completed. . Initial assessment completed. Intervention is initiated and in progress.

New Projects Approved

1	Development of Academic Achievement Test for Specific Learning Disabilities – A Tool for Educators	Dr. Shilpa Manogna Dr. Ambady K. G.	Jan, 2021 (Approved in 121 EC)	18 months	Rs.41.2 lakhs	---	---	---	Project approved in the steering committee. Awaiting financial sanction, under R&D CSS scheme.
2	A study on association between visual, motor, perception and cognitive abilities of children with disabilities.	Dr. Amritha Sahay & Mrs. Sabari Gosh	Jan 2020 (Approved in 119 th EC)	18 months	Rs. 9,00,000	-----	----	-----	Project approved in the steering committee. Awaiting financial sanction, under R&D CSS scheme.
3	Exact causes for high number of Divyangjan having intellectual and developmental infirmities in the state of UP, Telangana, Bihar & West Bengal	Dr. V. Sravan Reddy and G. Srinivasulu		24 months	Rs.24.6 lakhs	-----	----	-----	Project approved in the steering committee. Awaiting financial sanction, under R&D CSS scheme.

3.2 Research Publications

The research papers published by NIEPID faculty during the year 2022-23 are presented in **Table 8**.

Table 8: Papers Published by NIEPID Faculty/Staff

S.No	Title of the Paper	Name of Journal/ Publisher	Month/ Year of Publication	Name of the Author
1.	The Prominence of Memory and Assessing immediate Memory span: A case	International Multidisciplinary e-Journal – An International Peer Reviewed Referred Journal. Vol 11, Issue 05, May 2022. ISSN: 2277-4262	05, May 2022	Major. B.V. Ram Kumar, Dir.(Offg), Sailaja Kuruvada, Sridevi Godishala
2.	An Understanding of Self-Concept and Formation of A Healthy Self-Concept	International Multidisciplinary e-Journal – An International Peer Reviewed Referred Journal. Vol 11, Issue 07, July 2022. ISSN: 2277-4262	07, July 2022	Major. B.V. Ram Kumar, Dir.(Offg), Sailaja Kuruvada, Sridevi, Jagruth Lingala
3.	Parental Sense of Coherence, Dispositional Optimism, and Quality of Life in Children with Intellectual Disability	12th European Congress at Rotterdam, Netherland. Conference Proceedings	6-8 October, 2022	Major. B.V. Ram Kumar, Dir.(Offg)
4.	Role of Government Agencies in Mental Health Rehabilitation	Two Days State Level Conference on Mental Health at HCU by Hyderabad Central University. Conference Proceedings	22-23 October, 2022	Major. B.V. Ram Kumar, Dir.(Offg)
5.	Impact Of Employment On Development Of Self-Determination Skills In Adults With Intellectual Disability	Scholarly Research Journal for Humanity Science & English Language, Online ISSN 2348-3083, SJ IMPACT FACTOR 2021: 7.278, Peer Reviewed & Refereed Journal, Feb-Mar, 2022, Vol - 10/50	1 April 2022	Dr. Hemant Singh Keshwal
6.	Effect of MFR to Reduce Elbow Flexor Spasticity in Children with Cerebral Palsy: A single Case Study	International journal for Innovative research in Multidisciplinary field	Volume 9 Issue 4 April 2023	Anusha Sampath, Aditi B
7.	Effect of Lateral Wedge in Reduction of Knee Pain and Improvement in Gait Parameters in subject with knee osteoarthritis in context with Indian Population	International Journal of Health Sciences and Research	April 2022	Dr. Ranjeet Kumar, Prosthetist & Orthotist
8.	Building an Institute for Intellectual and Developmental Disabilities.	In Murthy, S.R., & Gupta, N. (Eds.), Leadership in Indian Psychiatry: Converting Thoughts in to Practice (inpress).	April 2022	Ahmad,W
9.	A Study on the attitudes of the Parents' of Children with Intellectual Disabilities towards of their Children with Normal Children in Inclusive Set Up	Journal of Positive School Psychology	May 2022	Dr. Vijay Raj Bollapalli, Special Educator
10.	Effects of Sensory Integration therapy on the child with kabuki syndrome : A case study	Global scientific Journal ISSN23209186, Vol.10, Issue 6,	June 2022	Shri.E.Pachiappan

11.	Effectiveness of sensory integration therapy to improve motor coordination for child congenital disorder of glycosylation type-I	Interrelation journal all research education and scientific method, ISSN24556211, Vol.10 Issue 6 , June'2022 Impact factor 7.429	June 2022	Shri.E.Pachiappan
12.	Sensory modalities and other factors affecting score to digit span test	International Journal of Indian Psychology	June, 2022	Ms Smita Mahobia
13.	An exploratory study on Technical Challenges in Special Education Services in India during Pandemic – Educator's Perspective	TISS Journal of Disability Studies and Research Vol. II Issue I	June 2022	Dr. Prem Kumar, Keertisudha Rajput, Milind Karanjkar
14.	Menstrual Hygiene Management Skills among Women with Intellectual Disabilities in Maharashtra	Disabilities and Impairment	July 2022	Rajalakshmi Ramachandran, Keertisudha Rajput
15.	Pragmatic Abilities in Children with Different Socioeconomical Status	Acta Scientific Otolaryngology (ISSN: 2582-5550) Volume 4 Issue 8 August 2022	July 25, 2022	Shri. Maruthi Krishna Goud, Shri. G.Ramanjulu, & Shri. K.Praveen Kumar

3.3 Seminars/ Conferences/Workshops

During the year, NIEPID Faculty and Staff attended/participated as resource persons in 737 scientific conferences/ Seminars/Workshops. The details are given in **Appendix F (page 107)**.

GENERAL SERVICES

4.1 Services

Persons with Intellectual Disabilities (PWID) generally need a plethora of services to make them functionally as independent as possible and improve their quality of life. NIEPID provides a spectrum of service delivery systems for the rehabilitation of persons with Intellectual Disabilities. It is common practice to use a multi-disciplinary approach to provide comprehensive services relevant to the individual needs of PWID.

NIEPID has evolved its extension of services based on life cycle approach encompassing infants, children, youth and adults as indicated below:

- Early identification, Early Intervention and Prevention of Disabilities
- Minimization of the adverse effect of developmental delays and acceleration of the rate of development of children
- Preschool Education
- Special Education Programmes
- Vocational Training and Job placement
- Independent living skills

The services are also focused on persons with severe and profound Intellectual Disability in the unit named 'Manoranjnam' and a Multi-Sensory Unit that offers intense sensory stimulations for children with profound and multiple disabilities.

4.2 General Services

The Institute provides assessment and evaluation services through case history taking, physical and medical examinations, intellectual and developmental assessment, special educational assessment, therapeutic needs assessment, vocational assessment and essential biochemical screening and examination. After a comprehensive assessment, a management plan and intervention packages are developed. Parental counselling is done to provide emotional support by explaining the nature of the child's condition and his/her level of functioning. A home-based training programme and demonstration for the same are given to parents for management and rehabilitation.

During 2022-23, 18,606 New clients were registered at NIEPID, Secunderabad and its Regional Centres located in New Delhi/Noida, Kolkata and Navi Mumbai. In addition, 17,230 new clients were assessed through outreach camps for the distribution of TLM kits.

The details of services provided to new clients during the year 2022-23 are shown in Table 9.

Table-9: Registration of New Clients

4.2.1 Follow up services

Follow up services aim at augmenting home-based training by developing management plans for implementation at home. For persons coming from outstation, family cottage facility is made available. Wherever necessary, appropriate referrals are provided to the clients to seek services from the local institutions while the periodic consultation at NIEPID continues. The backup support to special services is provided through direct training, supply of folders, posters and books published by the Institute for information and guidance of parents and family members at a nominal cost.

During the year 2022-23 a total of 1,45,823 follow up clients were given support (special) services at NIEPID (Table 11). In addition, 17,230 follow up clients were provided services and TLM kits were distributed through various camps conducted under outreach programmes (Table 12) Altogether a total of 3,84,881 support services were provided to both new and follow up clients (Table 12.1).

Table 12: Details of Follow up Clients through OPD and Camps

Year	Through OPD	Through Camps	Total

4.3.1 Medical Services

Clients registered at NIEPID are taken up for detailed case history and clinical examination for general health assessment and diagnosis. Medical management is individualized and need-based and includes imparting information and treatment for co-morbid conditions like epilepsy, hyperkinetic behavioral problems, nutritional deficiencies, infections, hormonal deficiencies and mental illnesses.

Drugs are provided for epilepsy, hyperkinesia, mental illnesses and for other comorbid medical conditions free of cost to clients belonging to families of low income. Consultant medical doctors such as Neurology, Orthopedic, Endocrinology, Dental, Ophthalmology, Homeopathy and Genetic services are outsourced. Appropriate referrals are also made wherever necessary.

Medical Services

4.3.2 Early Intervention Services (CDEIC)

Early Intervention Services (EIS) cater to children aged 0-6 years who are at risk or have developmental delays. These services focus on prevention, remediation and treatment to foster all-around development. The services offered are child-centered and family-oriented and provided by a multi-disciplinary team of experts. The child receives individualized intervention consisting of physiotherapy, Psychology, occupational therapy, speech and language intervention, medical, psycho-social and family intervention. EIS also offer parent training programmes, group therapy, play therapy, guidance and counselling. Ophthalmology services have also been initiated at CDEIC unit during 2022-23.

Early Intervention Services

4.3.3 Physiotherapy Services

This unit caters to persons with Intellectual Disabilities with associated motor problems such as cerebral palsy, abnormal motor patterns, movement disorders, loco-motor abnormalities and congenital abnormalities. After a detailed assessment, intervention Programmes are planned to meet individualized needs. Therapeutic interventions are of eclectic nature that includes exercises, hydrotherapy, postures, and gait training to enhance overall development.

4.3.4 Occupational Therapy

The Occupational Therapy unit caters to the needs of persons with Intellectual Disabilities, associated conditions and other pervasive developmental disorders. This service mainly addresses developing performance comp-onents, improving specific sensory, motor, cognitive-perceptual skills and promoting independent living. Clients requiring services are taken up for a detailed evaluation, and a specific intervention programme is developed according to the individual needs. Those in need of assistive and adaptive devices are guided to appropriate centres. Necessary guidance and support are provided for the caretakers to continue the intervention at home.

4.3.5 Biochemistry Services

At NIEPID, medical services are supported by the facility of a Biochemistry Laboratory to carry out biochemical investigations (Metabolic screening) to identify biochemical or metabolic disorders related to Intellectual Disability such as amino acid disorders, glycogen storage disorders and mucopolysaccharidoses and routine biochemical tests to check general health that can support diagnosis, treatment, counselling and monitoring.

4.3.6 Speech Pathology and Audiology Services

Delayed development of speech and language is one of the significant features of Intellectual Disability. Many children also have hearing defects of various natures. Those clients requiring services are taken up for detailed assessment. A speech and language intervention package is developed to meet the individual needs. Parents are guided to carry out the intervention at home under the advice of professionals.

Speech Pathology and Audiology Services

4.3.7 Electromyography

Electro-myelography (EMG) records the electrical changes in the nerve potentials. It gives information about the functioning of sensory and motor nerve status of persons with Intellectual Disability. It helps to determine if the reflex mechanism is intact or interrupted and to identify the functioning of the nerves, spinal cord and brain. Based on the result of the EMG, the therapy programme is designed on which the nerve sensation, functioning of muscles and joint movement is identified. Accordingly, therapy can be given by exciting sensation activity of nerves. Repetition of sensory mechanism will help to regain sensation if there is a loss and reduced sensation. If there is damage at the motor nerve spinal levels, muscle contraction can be enhanced by repeating the reflex mechanism. Repeated muscle contraction helps to develop muscle power, which in turn will assist in developing joint stability.

4.3.8 Electroencephalogram

The Electroencephalogram (EEG) is an essential procedure used for understanding the physiology of the brain. It helps identify the pathological changes seen in the structure and function of different areas of the brain. The main objective of the procedure is to diagnose the types of seizures and various epileptic syndromes. EEG is an essential procedure of a comprehensive diagnostic workup of persons with Intellectual and Developmental Disabilities having neurological deficits. EEG is also used to assess or monitor the effectiveness of the treatment. It helps in deciding the type and duration of the medication to be used for epilepsy. The prevalence of epilepsy among persons with Intellectual Disability is high (30%) compared to the average population (1%).

4.3.9 Services for Persons with Multiple Disabilities

Children with Intellectual Disability having additional problems such as hearing impairment, visual impairment and physical impairment are provided special attention through this service. A team of multidisciplinary professionals provide comprehensive services. A special clinic for orthopedic services is available once a week.

4.3.10 Nutrition

All cases registered at NIEPID are assessed for nutritional status using anthropometric measurements (height and weight). Those cases identified as 'undernourished' are provided nutritional advice.

4.3.11 Hydrotherapy Services

Hydrotherapy is a mode of treatment for persons with Intellectual Disability, particularly those suffering from joint pains, swelling, stiffness, muscle weakness, and spasticity. The Institute provides hydrotherapy services to persons with Intellectual Disability having various physical problems.

4.3.12 Special Education Services

Children with Intellectual Disability are assessed for the current level of functioning in various skills such as self-help skills, gross and fine motor skills, functional reading and writing skills, time, money and related cognitive skills. Parents are involved throughout special education services such as assessment, planning of an Individualized

Educational Program (IEP), and the implementation of IEP. Various teaching-learning materials and adaptive materials appropriate to the Indian context are utilized during the training. Computer-Assisted Training Modules are also utilized for children with special needs to enhance their learning.

4.3.13 “MANORANJANAM” - Resource room for Persons with Profound Intellectual Disability

Though the service programmes for persons with Intellectual Disability have increased over the years, very few organizations offer services to persons with profound intellectual disabilities. Persons with profound intellectual disabilities require more specialized services and personnel to train them because most of them suffer from associated physical disabilities, and some even have epilepsy. However, research studies on the education of children with profound Intellectual Disabilities indicate that systematic training can make them learn basic skills. This reduces their dependency on others to some extent. Because of this, the Institute has started a unit called “Manoranjanam” to train children with profound Intellectual Disability. This is an outcome of one of the institute's research projects, Teaching Children with Profound Mental Retardation.

**Special Education Assessment
& Intervention**

4.3.14 Autism and Intellectual Disability

It is estimated that 75% of persons with autism have low levels of intelligence. As children with Intellectual Disability and autism are found in schools for children with Intellectual Disability, appropriate educational services must be provided. Staff trained in managing children with autism is engaged to provide individualized and small group instruction to children with Intellectual Disability and autism. In addition, the staff provides consultancy support to the teachers in the regular schools and special schools.

4.3.15 Intellectual Disability and Sensory Impairments

Children with Intellectual Disability having sensory impairment in vision and hearing require special education and group training. When both the senses of vision and hearing are impaired in them, the training methods and materials require adaptations. Keeping this in view, exclusive services for such children have been initiated. These children get individualized attention from trained teachers in addition to their classroom experience. Environmental modifications are made to meet their unique needs. Considering the need for services for children with Intellectual Disabilities having sensory impairments, a manual for deaf-blindness was developed by NIEPID in collaboration with Voice and Vision Taskforce, which can be used as a guide for teachers/ service providers.

4.3.16 Computer-Assisted Instruction

Computer-assisted instruction aims to enhance the academic learning skills of children with Intellectual Disability and teach the children the techniques of computer operation to enable them to use developed software for self-learning.

The Department of Special Education has so far developed six software packages suitable for persons with Intellectual Disability. Regular services are being offered to students of the special education centre and adults with Intellectual Disabilities from the department of independent adult living to orient them to use computers for learning. Multisensory input received through computer-assisted instruction helps sustain the children's attention and motivation and expedites their learning. Because of neuro-motor problems associated with Intellectual Disability, computer software packages have been developed with adaptations and hardware peripherals to help children with Intellectual Disability.

4.3.17 Group Activity

Group activity services are provided to children with Intellectual Disability referred from general services till they get regular admission to Special Education Centre. These services are provided in the afternoon for three different age groups.

4.3.18 Psychological Assessment

All clients registered at NIEPID are taken up for psychological assessment, including developmental assessment, intellectual assessment, and adaptive behavior assessment. Batteries of tests are administered to ascertain the level of retardation. Based on the assessment, individualized intervention programmes are formulated. Psychological assessment reports are provided for educational and training purposes and to obtain the disability certificate to avail benefits and concessions given to persons with Intellectual Disability by the Government from time to time.

4.3.19 Behaviour Modification Services

Persons with Intellectual Disability having problem behaviours like head banging, self-biting, self-injurious behaviour, excessive crying etc., are offered services of behaviour modification. After a detailed assessment, information on the frequency and severity of behaviour problems, functional analysis is done to determine the factors leading to such behaviours. After this, appropriate behavioral management programmes are developed, and parents are given instructions on suitable interventions in the event of the occurrence of the problem. Follow-up is done at regular intervals to ensure progress.

Psychological Assessment

4.3.20 Parent Counselling Services

Parent counselling is offered by providing emotional support and empathetic understanding to deal with their distress and guilt feelings arising from the presence of the child having an Intellectual Disability. Apart from tackling misconceptions of parents, guidance is also given to understand the nature of Intellectual Disability and the needs of the children at different stages of life to promote the child's harmonious development in the family setting.

Parent Counselling Services

4.4 Vocational Training

Department of Adult Independent Living (DAIL) is extending vocational rehabilitation services to adults with Intellectual Disabilities. The main objectives of DAIL are:

- To organize vocational rehabilitation services for adults with Intellectual Disability
- To extend support in the transition periods in all walks of life and promote independent living
- To develop Human Resources to extend comprehensive services for persons with Intellectual Disabilities
- To undertake R&D activities in vocational rehabilitation & independent living of persons with Intellectual Disability.

4.4.1 Workstation for Vocational Training of Persons with Intellectual Disabilities

Department of Adult Independent Living (DAIL) functions to organize skill development programs and extend various vocational services to persons with Intellectual Disability, so that the individuals with Intellectual

Disability can excel in their lives. To streamline the process of vocational training, the Department has initiated workstations to have a phase-wise training programme for persons with Intellectual Disabilities. After assessing the clients, a management plan is made to stimulate the cognitive, motor, communication and social functioning and then place them in different workstations. At the workstations, the person with Intellectual Disability has initially been given exposure to varied settings to develop work skills and work behaviour (Generic Skill Training).

After successfully completing training for a period of six months in Generic Skill Training, Specific Skill Training and Independent Skill Training are provided. The trainees are then placed in open/supportive/self-supportive employment after conducting a 'job analysis' which matches the skills acquired by the client with that of the skills required/identified for the job. While on training, efforts are made to identify jobs and intimate the parents or pursue further follow-up. A total of 2,185 adults with Intellectual Disabilities received Vocational Assessment, Guidance and Counselling services during the year. Similarly, 16,838 Adults with intellectual disabilities were given training in various workstations during the year at DAIL, Secunderabad. The details are presented in **Table 13**.

Table 13: Vocational Training Services provided in DAIL

Vocational Assessment, Guidance & Counselling	Vocational Training (Workstations)
2,185	16,838

The by-products of the workstation training include screen printing, photocopying, stationery products (writing pads, file pads, etc.), and offset the institute's use of printing for its internal use. The other by-products, such as greeting cards, glass paintings, soft toys, craft work etc., are being purchased by visitors and staff members and used by the Institute for its requirements such as mementoes to visiting guests, wall decorations etc.

4.4.2 Programme for Transaction Training

The Department of Adult Independent Living has initiated an innovative training programme termed 'transaction training'. As part of this programme, a portable counter (demo-tent) has been placed inside the campus of NIEPID near general services and adult persons with intellectual disabilities, with the support of parents and trained vocational instructors, carry out various activities of promoting the by-products of the vocational training such as soft toys, art and craft items, greeting cards etc. Through this activity, they are exposed to the basic requirements for marketing, socialization, cash transactions, social skills, communication skills etc.

4.4.3 Vocational Guidance & Information Services (VGIS)

Vocational Guidance & Information Services (VGIS) is a unique platform for sharing the necessary information to adult persons with intellectual disabilities. Information on new workstations, services available for adult persons with intellectual disabilities for the current year, current trends, schemes and benefits, employment issues etc., are discussed during the meeting.

4.5 Family Cottage Services

The facility of the family cottage is available for the families coming from far-off places to avail services at NIEPID. There are 12 units of family cottages available at NIEPID, Secunderabad. Each unit can accommodate a family of at least five members. Every unit has an attached kitchenette and a washroom. While the occupants of the family cottage can opt for the NIEPID canteen facilities being run by parents of a person with Intellectual Disability, facilities such as utensils and cooking gas are also provided in each unit of the family cottage for self-cooking if required by the occupant. The clients occupying the family cottage can stay for two weeks and receive professional services and training such as skill training, individual family counselling, behaviour modification, speech-language therapy, medical advice, physiotherapy, recreational activities, and other help. During their stay at these cottages, parents can concentrate on the needs of the child while being away from their daily routine chores.

The number of occupants of the family cottage during the year 2022-23 was 132. The average duration of the stay for the family was five days per visit. The details of services provided in family cottages are provided in **Table 14**.

Table 14: Occupancy of the family cottage by age and gender of the clients

S.No	Age (years)	Male	Female	Total
1	0-3	10	4	14

	Total			132

Family Cottages

4.6 Parent Training Programmes

The objective of this program is to involve parents in the care, management and training of their children with Intellectual Disability. The program also encourages mutual support among parents and the exchange of ideas and information. During this year **228**

parent training programmes were conducted, benefiting **9,427** parents. This also includes parents trained during the master trainers' programme conducted by the Institute.

4.7 Respite Care Services

Respite care is short-term care that helps families having children with Intellectual Disability to take a break from the daily routine and stress. Respite Care also provides an opportunity for persons with Intellectual Disability to stay away from the family for a short period, which may enhance independent living skills. NIEPID started the respite care services with the following objectives:

- To provide an opportunity to parents/family members to get respite time in order to fulfil other responsibilities.
- To create an opportunity for parents to get relief from the stress of routine care of persons with Intellectual Disability.
- To provide a short stay from home for persons with Intellectual Disability.
- To serve as a demonstration centre for practical exposure for the students undergoing various academic training programmes at NIEPID.

Separate facilities are provided for males and females with zero rejection as the norm to be admitted to the respite care centre. A trained special educator and aayah support each facility during the daytime. Additional facilities like leisure activities, sports, cocurricular activities are taken care of using the existing recourse. The children are included for a short period in the school activities and DAIL for engaging them in meaningful activities. The parents/family members of persons with Intellectual Disability are utilizing these services for their children for a short stay lasting up to 5 days, which is extended in exceptional cases. A total of 2,751 (new and follow up) PwIDs have utilized the services of Respite Care Centre during the year 2022-23. The details are given in **Table 15**.

Table 15: Respite Care Services

Year	New	Follow-up	Total
2020-21	1	268	269
2021-22	30	757	787
2022-23	56	2,695	2,751

4.8 Feedback from the Clients on NIEPID General Services

As part of the efforts to refine the services offered, NIEPID obtains feedback from its clients. An analysis of the feedback received from **95** clients/Parents during the year revealed that 88.0% of the clients are satisfied with the services offered at NIEPID, and the details are given in **Table 16**.

The satisfactory level of services provided by the professionals (Sl.No.1-19) is 91.5%, whereas the satisfactory level of services provided to the clients by students attending various long-term training programmes under the supervision of faculty and guest faculty is found to be 78.6% (Sl.No.20-a-g). Suggestion boxes and complaint registers are also maintained at the service providing areas, apart from the feedback format given below. Appropriate actions are taken to provide required comforts to the clients concerning NIEPID services.

Table 16: Feedback of the Clients/Parents on General Services at NIEPID (N=95)

S.No	Item/Question	Satisfaction (%)
1	Explaining the details of the conditions of the individual by the professional	97.9
2	Dates given for appointments	96.8

Department of Rehabilitation Psychology

Department of Rehabilitation Psychology (DRP) is involved in human resource development, research and development, services and extension & outreach programmes. Services offered by the department are developmental assessment, intellectual assessment, behavioural assessment, parent/family counselling, behaviour modification and cognitive training.

As part of the HRD program, the department conducts M.Phil Program in Rehabilitation Psychology affiliated to Osmania University with extensive theoretical inputs and supervised clinical practice to impart necessary professional skills to practice independently in disability rehabilitation. The department also conducted 20 short-term training programs with 1,863 beneficiaries and certificate courses on psychological assessment and intervention to keep the professionals updated with the latest development in disability rehabilitation. The details are provided in **Table 17**.

The department conducts research in the field of Intellectual Disability. During 2022-23 the department has one ongoing research project, namely, '*Development of an Indian Test of Intelligence*', approved by the Ministry. The test so developed will be helpful in the assessment of the intellectual level of persons with Intellectual Disability so that they can avail government concessions and social benefits. The project results can also be used for planning intervention programs based on strengths and weaknesses found in an individual. Phase-1 of the project is completed, and Phase-2 is in the process.

Psychological Assessment

All clients registered at NIEPID are taken up for psychological assessment, including developmental assessment, intellectual assessment, and adaptive behavior assessment. Psychological assessment reports are provided for educational and training purposes and to obtain the disability certificate to avail benefits and concessions given to Persons with Intellectual Disability by the Government from time to time.

Behaviour Modification Services

Persons with Intellectual Disability having problem behaviours like head banging, self-biting, self-injurious behaviour, excessive crying and alike are offered services of behaviour modification.

Parent Counselling Services

Parent counseling is offered by providing emotional support and empathetic understanding to deal with their distress and guilt feelings arising from the presence of the child having an Intellectual Disability. It also helps them to understand their role in rehabilitation & empowerment of their child with disabilities.

Table 17: DRP - Short Term Training Programmes 2022-23

CRE programme on Behavioural Intervention for PWID with associated conditions.

Department of Special Education

In accordance with the institute's objectives, the Department of Special Education (DSE) gets involved in services, Human Resource Development, Research & Development, and Documentation & Dissemination. Extension & Outreach programmes are also part of departmental activities undertaken by the staff. Education and training programmes are organized for the clients attending services at NIEPID. Parental involvement is considered to be the base for the education and training of PwID. Thus, after assessing the clients, parents are explained about the condition, current functioning level of the child, and the strategies for implementing the programme as home-based activity. At the request of parents, educational reports are prepared and issued to the parents.

6.1 Human Resource Development:

To meet the requirement of the trained human resources in disability rehabilitation, the department conducts different long-term programmes and keeps the professional updated with the latest development in the field, and various short-term programmes are conducted. Currently, the department conducts four long term programmes, namely;

- M.Ed. Special Education (ID) – 2 years
- B.Ed. Special Education (ID) – 2 years
- D.Ed. Special Education (IDD) – 2 years
- Diploma in Early Childhood Special Education (ID)- 1 year

During the year 2022-23, 16 STPs were conducted benefiting 2070 professionals. The details of short-term programs and services offered are presented in **Table 19** and **20** respectively.

6.2 Research & Development:

To improve the teaching-learning process for persons with ID and based on the current need, the department undertakes applied research in the field and documents the findings for dissemination of the information. Several publications and teaching-learning materials (TLM) are the outcomes of the research undertaken by the department; worth mentioning is the Computer Assisted Instruction (CAI) package. Different service units (Manoranjnam, MSI unit, CAI lab) setups in **special education centre** are also the result of R&D projects. Special education centre serves as a lab school for the long-term course trainees where the trainees get exposure to handling students with intellectual disability. “In addition to the above activities, the Department of Special Education also supports the institute in implementing various schemes and programmes of the Ministry such as ADIP, DDRS, RCI inspections, Northeast programmes.

During the 2022-23, the department also conducted Two days National Conference on Inclusive Education (NCIE) was organised by the NIEPID which was inaugurated by Prof. D. Ravinder, Vice-Chancellor, Osmania University.

During the current year, the department has published 3 manuals namely:

- 1) Sexuality Education Needs Assessment Checklist (SENAC)
- 2) Sexuality Education - A Pictorial Guide
- 3) Sexuality Education - An Instructional Guide for Parents, Teachers and Caregivers.

The Department has submitted two research proposals to the Ministry under Central Sector Scheme on Research and Development to undertake research in the area of Specific Learning Disabilities. The Research proposals submitted:

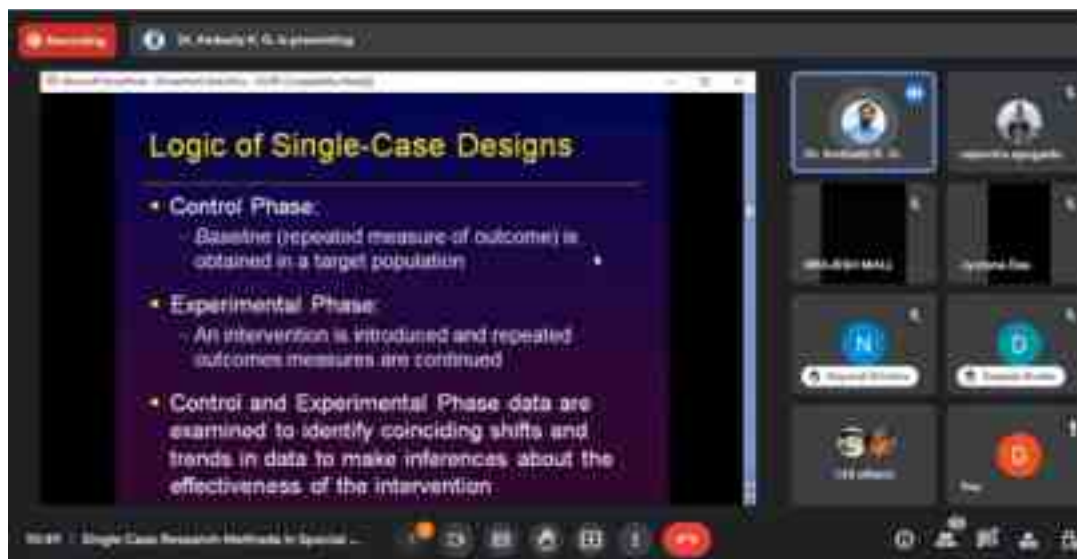

- 1) Development of Academic Achievement Test of Specific Learning Disabilities – A Comprehensive Tool for Educators
- 2) Development of Computer Based Screening Test for Adults with Specific Learning Disabilities

CRE on “Single Case Research Methods in Special Education”

6.3 Special Education Centre

Special Education Centre (SEC) serves as a lab school for the training programmes of human resource development of the Institute. It is attached to the Department of Special Education. The Centre has an enrolment of 120 children in the age range of 3 years to 18 years, including children with varying degrees of Intellectual Disability ranging from mild to profound levels. Ten classroom facilities range from early childhood special education to pre-vocational training. In addition to these four exclusive service units for the education of children with additional disabilities such as autism, multi-sensory impairment, profound intellectual disability, and open basic education programmes have been established to see that children with all levels and combinations of Intellectual Disability are admitted to the school, and the students undergoing various long- term academic programmes will have an opportunity to deal with various problems of Intellectual Disability. In addition to regular classes, group activity services are provided for the new clients referred from general services. Such clients do not get admission for regular services in SEC. These students attend the services on appointments given by the classroom teacher as per the child's need and the parent's convenience. The service activities provided in SEC are given in **Table 21**, and 06 Short-Term Training programs conducted by SEC are presented in **Table 22**.

Table 21: Service activities at Special Education Centre

	Total			613

Parent/Sibling Training Programmes conducted by SEC

- SEC, NIEPID conducted 17 Parent / Sibling Training Programmes, Secunderabad benefiting 800 parents / Siblings during the year 2022-23.

International Day for Persons with Disability and TLM distribution at SEC

- SEC, NIEPID celebrated the International Day for Persons with Disability on 03-12-2022 with SEC students. On this occasion, TLM kits were distributed to SEC students.

Other Activities of SEC

- As per the almanac of SEC, class-wise IEP meetings with the parents were conducted three times a year.
- Conducted annual sports for students of SEC on the occasion of the 39th Annual Day of NIEPID.
- SEC celebrated Festivals in online mode like Ganesh Chaturthi, Dussehra, Diwali, Christmas & Sankranti. Students from SEC and their parents, siblings participated in these celebrations enthusiastically.
- Conducted Yoga online classes throughout the year for the SEC students.
- SEC students participated in Quizable India programme, Gardening competition, special Olympics winter games, Yoga day celebration, Sign language day, Unified sports, Fashion show & Children's day sports activities.

6.4 Resource Room for Open Basic Education coaching for NIOS Examination

The National Institute of Open Schooling (NIOS) has started the “Open Basic Education Programme through Regular & Distance Education Mode” and has accredited centres throughout the country. Many children with mild Intellectual Disability and borderline intelligence do not have access to education facilities as they do not fit into the special school system and face difficulty coping with regular educational demands.

These children benefit from the “Open Basic Education” programme under NIOS because of the simplified, phased-out learning system. This also bridges the gap between special school and regular school systems. With this in view, the Institute started services to train children with borderline intelligence and mild Intellectual Disability to appear for the Open Basic Education programme under NIOS. NIEPID provides special coaching classes for primary level students with learning problems and Intellectual Disability. During 2022-23, total 36 students enrolled and among them 24 children appeared & passed level (A, B, C) final examination.

Department of Medical Sciences

The Department of Medical Sciences (DMS) provides services for client's assessment and evaluation ranging from physical, medical examinations and essential biochemical screening and examinations. After a comprehensive assessment, a management plan and intervention packages are developed. Clients are referred to other medical services wherever needed. In addition to the services, the department also conducts a one-year long term course; namely, Post Graduate Diploma in Early Intervention (PGDEI) approved by RCI and affiliated to Osmania University. The department also undertakes various short-term programmes for professionals in medical and early intervention services for persons with Intellectual Disabilities and conducts Group Parent Training Programmes. The department also takes up research projects related to medical and aspects of intellectual disability.

Services provided to clients

Department of Medical Sciences provides the following services.

Medical Services (Psychiatry & Paediatrics)

- Medical Assessment, Investigations, diagnosis and treatment.
- Analysis and reporting of electro-encephalogram
- Evaluation of the new clients as well as follow-up clients registered with NIEPID
- Offering medical treatment to the required clients registered at NIEPID

Biochemical analysis

- Carrying out biochemical investigations of the samples (blood and urine etc.)
- Biochemical analysis of the reports

Nursing Services

- Anthropometric Measurements of New clients after registration
- Nursing support & First aid
- Counselling & Guidance to parents.

Early Intervention Services

- Early Intervention assessment for children below six years of age with Intellectual and Developmental Disabilities, Cerebral Palsy, Genetic disorders, for Early detection and Intervention.

EEG Test

- Preparation of client for EEG testing
- Carrying out EEG test on the client
- Recording the EEG and submitting the report to the medical doctor for the diagnosis

Neurological Services

- Neurological assessment of children with Intellectual Disabilities having neurological problems.
- Evaluation of EEG reports for diagnosis purpose for giving medication to clients

Orthopedic Services

- Identifying clients with Quadriplegia in providing intervention for a child with Cerebral Palsy and other orthopedic related problems.

Homoeopathy Services

- Homoeopathy assessment is done for children with Intellectual and Developmental Disabilities.

Dental Services

- Dental assessment is done for children with Intellectual and Developmental Disabilities to solve Dental Related problems.

Pharmacy services

- New Clients & Follow-up clients visiting NIEPID who come under the Below Poverty Line Category are given free medicine from Pharmacy prescribed by Medical Doctors.

Genetic Counselling

- Genetic counselling services are provided for children with Neuro developmental and Genetic disorders.

Endocrinology

- Endocrinology services are provided for identifying Intellectual and Developmental Disabilities children with growth, height, weight and Hormonal related problems and treating them.

Department of Therapeutics

The Department of Therapeutics (DOT) consists of Speech-Language Therapy, Physiotherapy and Occupational Therapy. The department assesses and evaluates speech/language therapeutics needs; physical and occupational therapeutics needs and carries out management/intervention/rehabilitation in concerned areas. Home Based intervention programs and demonstrations for the same are given to parents of each client. Parent counseling is done by explaining the nature of the client's condition and his/ her level of functioning.

8.1 Services provided to clients:

Department of Therapeutics provides the following services.

1. Speech Therapy

- Speech, Language, Hearing assessment & evaluation of the new clients and follow-up clients registered with NIEPID.
- Diagnosing the problem of the clients and offering Speech, Language, Hearing treatment.
- Undertaking research projects pertaining to Speech, Language & Audiology

2. Physiotherapy

- Physiotherapy assessment & evaluation of the new clients as well as follow-up clients registered with NIEPID.
- Diagnosing the problem of the clients and offering Physiotherapy intervention.
- Offering therapeutic intervention for Physiotherapy problems of the clients
- Undertaking research projects pertaining to Physiotherapy.

3. Occupational Therapy

- This service mainly addresses issues such as developing performance components, improving specific sensory, motor, cognitive-perceptual skills and promoting independent living.
- Clients requiring services are taken up for a detailed evaluation, and a specific intervention programme is developed according to the individual needs. Those in need of assistive and adaptive devices are guided to appropriate centres.

Department of Adult Independent Living (DAIL)

Chapter 9

NIEPID has an exclusive department called the Department of Adult Independent Living (DAIL), formerly known as the Department of Vocational Training, to develop vocational training models suitable to Indian conditions. The department started its activities in the year 1991. In the initial stage, the department's focus was to explore the job market for vocational training of adults with Intellectual Disabilities.

Presently, DAIL functions to organize vocational rehabilitation and skill development programs for persons with Intellectual Disabilities so that the individuals with Intellectual Disabilities can excel in their lives.

The main objectives of the department are:

- Develop human resources to extend comprehensive services for adults with Intellectual Disabilities.
- Provide vocational training and placement support under different employment models.
- Engage in R&D activities to enhance the quality of life of adults with Intellectual Disabilities.
- Extend support in the transition periods such as vocationalization to employment and employment to Independent living.
- Various stages in the evolution of the DAIL—experimentation, execution, enabling and empowerment.

9.1 Vocational Rehabilitation Services: Phase wise training programme

DAIL is implementing the three-phase training model comprising of Generic skill training Specific skill training and Independent skill functioning. Generic skill focuses on work readiness skills, and it is the primary stage for preparing the adults with intellectual disabilities for the specific skill training stage. Specific skill training involves training in the selected jobs under supervision, and independent skill functioning focuses on training extended to undertake the job without supervision.

9.2 Skill Training Programme

Department is also undertaking a skill training programme, as per National Action Plan (NAP), SIPDA scheme guidelines, in which training is extended in one specific job for a minimum of one year and a maximum of two years. These trades are aligned from Skill Council for Persons with Disabilities (ScPwD) for short duration training. On successful completion of the training, the department extends support for the placement of adult trainees with intellectual disabilities in the open, supported, group or self-employment.

9.3 Human Resource Development

The department conducts a one-year Diploma in Vocational Rehabilitation (Mental Retardation). This course is designed to create human resources suitable for providing vocational rehabilitation services for persons with intellectual disabilities. Department also extends support to long term programmes of the institute as and when assigned.

DAIL conducts various short-term training programmes for professionals working in the field disability rehabilitation on skill development and vocational training aspects. During the year 2022-23, 10 STPs were conducted benefiting 605 professionals, and 9 Webinars were conducted benefiting 491 professionals. In addition to the short-term programmes, 16 Parent Training Programmes were conducted, benefiting 532 parents of children with Intellectual Disability. The STPs details are presented in **Table. 25**

Table 25: DAIL - Short Term Training Programmes 2022-23

Sl. No	Name of the Programme	From	To	No. of Beneficiaries

	Total			605

Table 26: DAIL- Rehabilitation Services 2022-23

Service Activity	Beneficiaries
New clients	411
Follow up clients	16,838
Support Services (provided to New and Follow up Clients)	2,464
Total	19,713

9.4 Networking and consultancy services to voluntary organizations

Department is also undertaking networking and consultancy services in the field of vocational rehabilitation to NGOs or Voluntary organizations

9.5 Research & Development

DAIL is undertaking research and development activities in the field of vocational rehabilitation of persons with Intellectual Disabilities. The department has developed Comprehensive Assessment Tool for Vocational Training of Persons with Adult Intellectual Disabilities and the same is widely being used in all Vocational Training Centers.

9.6 Special Employees National Meet

DAIL has been organizing Special Employees National Meet since 1995. Special Employees National Meet is a unique programme in which Persons with Intellectual Disability who are on remunerative jobs are offered an opportunity to assemble at one platform to showcase their vocational skills, communication abilities, socialization, marketing skills etc. This national level meet has been drawing attention of the targets as there is overwhelming response during the last 28 years.

Department of Library and Information Services

The NIEPID Library has 15,833 resources (purchased, gratis/ gifted, non-book material, bound volume and reprints) as of 31-03-2023. During the year, more than 11,969 professionals, students and staff have utilized the NIEPID library services.

10.1 Posters and Flip charts

The Institute continues to undertake public awareness programmes such as printing posters, publishing information materials and flip charts for the grassroot level workers to identify disabilities.

10.2 Website Digitalization

The complete website has been modified to a new look with flash images, and it has been made disabled-friendly. The Institute has developed the website in Hindi as well. The Security audit for the website has been carried out, and the process of seeking Standardization, Testing and Quality Certification (STQC) is in progress. The Institute cleared the anomalies which STQC generates. NIEPID is waiting for STQC Certification. The website of the Institute (www.niepid.nic.in) is hosted at NIC Hyderabad.

10.3 Publications

NIEPID, from its inception itself, upheld the practice of publishing its findings from clinical studies and R&D activities in the form of printed books, video films and CDs. Basically, the publications are brought out in English language. However, these publications have been translated in to few other Indian Regional languages. In addition to this, information collected from authentic sources has been printed as pamphlets and leaflets. During the year 2022-23 the following new publications were added:

1	Comprehensive Assessment Tool for Adults with Intellectual Disabilities
2	Sexuality Education Needs Assessment Checklist (SENAC)
3	Sexuality Education - A Pictorial Guide
4	Sexuality Education - An Instructional Guide for Parents, Teachers and Caregivers

10.4 Distribution of Publications

Every year NIEPID gets requests from various sources for the books and other materials which the Institute publishes. These materials are distributed by levying a nominal charge on printing and handling. The distribution of NIEPID publications during the year 2022-23 is given in **Table 27**.

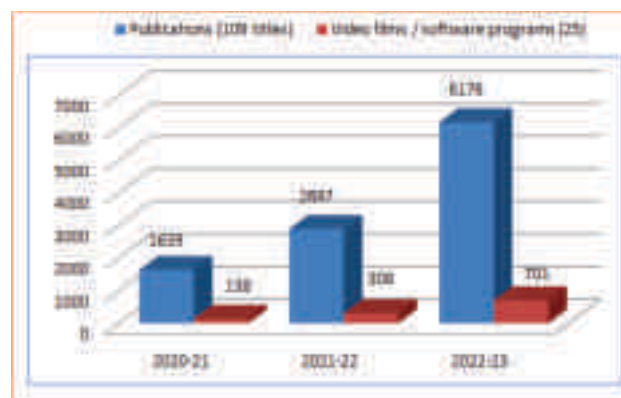

Table 27: Distribution of NIEPID Publications

Sl. No	Resources	2020 -21	2021 -22	2022 -23
1	Publications (109 titles)	1639	2897	6176
2	Video films / software programs (25)	138	308	701

- Publications (109 English, 60 Hindi, 16 Telugu, 5 Urdu, 5 Kashmiri, 2 Oriya, 1 Marathi, 1 Malayalam, 43 in Northeastern languages).
- Video films (8 English, 8 Hindi & 1 Telugu).
- Software programs (7 English & 1 Hindi).

10.5 Digitalization of NIEPID publications

The NIEPID Publications are also available for browsing (PDF format) in the Institute website: www.niepid.nic.in.

Regional Centre Noida & New Delhi

NIEPID Regional Centre, New Delhi, was established in February 1986 at Kasturba Niketan, Lajpat Nagar -II, New Delhi, to provide the best educational climate where each professional can develop their maximum potential in the field of Intellectual Disability. RC, New Delhi has shifted its activities to its permanent building at Noida in February 2015 while retaining the OPD facility at Lajpat Nagar-New Delhi.

The centre conducts three long term programmes and various short-term programmes for professionals working in the field of Intellectual Disability. The Centre also conducts various parent training programs for parents every year. In addition to this, the centre provides services to clients having delayed development, Intellectual Disability and other associated conditions. The centre conducts awareness camps and screening camps as part of its extension and outreach activity. The centre also provides technical support to local NGOs working in the field of Intellectual Disability. The centre had set up “ANKUR”, an Early Intervention Centre, in 1990 for providing services to children below 5 yrs of age. Regional Centre, New Delhi also extends its support to students from different professional colleges for their internships.

Major Activities

Long Term courses:

- M.Ed. in Special education (ID) - 2 years; Intake/Enrolment: 18/05
- B.Ed. in Special education (ID) - 2 years; Intake/Enrolment: 42/37
- D.Ed. in Special Education (IDD) - 2 years; Intake/Enrolment: 38/35

Short term programmes / Courses:

- Programmes conducted: 32, Beneficiaries: 1,541
- 1 Webinar was conducted benefiting 88 professionals.

Parent Training Programmes:

- Programmes conducted: 51; Beneficiaries: 1,876

Regional Centre, Noida provide the following services

- Psychological Assessment Services
- Behaviour Modification Services
- Special Education Services
- Medical Consultation
- Early Intervention Services
- Occupational Therapy Services
- Physiotherapy Services
- Speech Assessment & Therapy
- Parent Guidance & Counselling
- Vocational Assessment and Programming
- Outreach programs

Regional Centre Kolkata

NIEPID Regional Centre Kolkata was established on 3rd March 1986 in NILD campus Bonhooghly, B.T. Road Kolkata. Later in 1999, it shifted to its own building and after that started spreading its services in the eastern part of the country. NIEPID RC Kolkata is successfully running the following services in tune with the objectives of NIEPID.

12.1 Human Resource Development.

Long Term Courses: NIEPID RC, Kolkata, conducted five long term training programmes in the year 2022-23 recognized by the Rehabilitation Council of India, and graduate-level courses are affiliated to the Bengal State University, which includes:

- M.Ed. in Special Education (ID) - 2 years; Intake/Enrolment: 13/05
- B.Ed in Special Education (ID) - 2 year; Intake/Enrolment: 33/27
- Diploma in Special Education (IDD) - 2 years; Intake/Enrolment: 33/18
- Diploma in Vocational Rehabilitation (ID) - 1 year; Intake/Enrolment: 33/10
- B.Ed Special Education (ID)-ODL-2 year-Distance Mode; Intake/Enrolment: 40/28

Short Term Training Programmes: RC Kolkata conducts Continuous Rehabilitation Education (CRE) for rehabilitation professionals and Personnel to update them with the latest development in Intellectual Disability. It also conducts workshops and training programs for parents and siblings. During the year, 30 STPs were conducted benefiting 1,723 professionals. In addition to the short-term programmes, 2 Parent Training Programmes were conducted, benefiting 155 parents of children with Intellectual Disability.

12.2 General Services

NIEPID RC Kolkata provides multi-disciplinary services to persons with Intellectual disabilities such as psychological Services, medical services, educational Services, vocational training, early intervention, physiotherapy, occupational therapy and sensory integration therapy. The service activity details are provided in **Table 31**.

Table 31: RC Kolkata - Service activities for last 3 years

Service Activity	No. of Beneficiaries		
	2020-21	2021-22	2022-23
New clients	1,917	2,806	3,511
Follow up clients	36,567	36,594	39,739
Support Services(provided to New and Follow up Clients)	41,793	46,893	50,146

Year	Programmes	Professionals	Ratio
2020-21	16	2,912	1:182
2021-22	24	1,983	1:82
2022-23	30	1,723	1:57

12.3 Extension and Outreach Services

NIEPID RC, Kolkata organizes various extension and outreach programmes like IQ assessment camps, Training and EIS Kit distribution camps for Aanganwadi workers and parents having children with intellectual disabilities. It also conducts orientation and awareness programmes in various districts of West Bengal. The centre extends support services for northeast programmes and participates in melas and exhibitions. The centre also participates in Regional Parents' Meets and Special Employees National Meet.

12.4 Consultancy services to the voluntary organization:

The centre faculties provide referral services, job placement for a person with intellectual disability, conduct campus interviews for trainees of long-term courses, and guidance for established NGOs or Parents organizations.

12.5 Vocational training for Adult Independent Living:

To rehabilitate the persons with intellectual disabilities economically and socially, adults with intellectual disabilities are given training in different trades like screen printing, spiral binding, glass painting, fabric, file making, envelope making, paper bag making, jewelry, embroidery and on the job, training is arranged after successful completion of training in particular trades.

12.6 Special Education cum Activity Centre:

The Centre has 101 enrolled students in the age range of 3 years to below 18 years in two shifts- morning and afternoon. Six classrooms range from pre-primary to prevocational. The centre also focuses on co-curricular activities like dance, music, sports, and functional academics. Parents meetings are conducted monthly and report cards are given quarterly to showcase the progress achieved by the students.

12.7 Internship and Educational Visits:

Different organizations are approaching the regional centre for educational visit and block placement for observation at NIEPID RC Kolkata at regular intervals every year, such as nursing colleges, local NGOs, universities, and Colleges.

12.8 Documentation and Dissemination:

The Centre has introduced digitalization of all the services rendered to Persons with Intellectual Disability. The institution has a well-equipped library with a good collection of books and journals in intellectual disability and allied fields.

12.9 Other Activities:

NIEPID RC, Kolkata, observes Independence Day, Republic Day, International Day of Persons with Disabilities (IDPD), Down syndrome day and Autism Day. The centre also celebrates the Annual Day of NIEPID. Students with special needs participate in the National and International Championship of Special Olympic Games.

CRE on Cross Disability Early Intervention: Recent advances.

CRE programme on Self- Advocacy Mentor training program for professionals.

Model Special Education Centre, Noida & New Delhi

NIEPID Model Special Education Centre (MSEC) was established in 1964 by the Ministry of Social Justice and Empowerment. It was brought under the administrative control of NIEPID, Secunderabad, in 1986. The school believes that quality of life of every person with intellectual disability is equal to that of other citizens in the country and strives to provide support to students with Intellectual Disability to so that they live independently to the maximum extent possible.

NIEPID-MSEC had partly shifted to its Noida Campus on 17 February 2015. New Delhi Centre provides day care special education, while Noida centre has both daycare and residential facilities. The number of children on the roll is 103.

New Delhi Centre provided services through online mode. Few students from MSEC Delhi shifted to Noida premises to avail services.

In addition to school activities, NIEPID MSEC also conducts short term training programs/ CREs for professionals and parent/sibling training programs. It provides services to persons with Intellectual Disability which includes Psycho-educational Assessment, Behavior Modification, Parent Counselling, Home-based training during the reporting year. It participated in various training programs support and ADIP activities as part of extension and outreach activity.

* On January 14, 2023, 67 social empowerment camps were organized across the country to celebrate the Amrit Mahotsav of Independence, where free aids and appliances were distributed to Divyangjan. The objective of these camps was an effort to integrate the disabled into the mainstream, in the direction of empowerment and self-reliance. A total of 1,465 beneficiaries received their Assistive Devices like Motorized Tricycle, Motorized Wheelchair, MSEID kit, Hearing Aids, Smart Phone Braille Kit and TLM kits.

15.2.1 Orientation Programmes for Visiting Teams

Many professionals, eminent persons, students pursuing long term courses, medical, Nursing, and Government officials and caretakers visit NIEPID and its Regional Centres every year. NIEPID and its Regional Centres provide orientation on disability and Intellectual Disability to these visiting professionals/ Teams coming from different disciplines.

15.3 Consultancy and Technical Support

15.3.1 Technical Appraisal of NGO Applications for Grants-in-aid from MSJ&E Government of India

Under this scheme, to promote voluntary services for persons with disabilities, the Department of Empowerment of Persons with Disabilities (Divyangjan), MSJ&E, Govt. of India gives grants-in-aid to the non-governmental organizations in the country. At the request of the Ministry, the Institute undertakes technical evaluation of programmes implemented by various NGOs and submits reports to the Ministry.

15.3.2 Rehabilitation Council of India (RCI)

During the year, the staff of the Institute participated in the meetings of the Rehabilitation Council of India in developing and evaluating curricula for various courses. Faculty members also conduct inspections on behalf of RCI of various teacher training institutes in the country.

15.3.3 Technical support to NGOs

NIEPID has been extending technical support to NGOs and other institutes since its inception under this objective.

Assistance to Persons with Disabilities for Purchase/ Fitting of Aids/ Appliances (ADIP) Scheme

The primary objective of this programme is to organize composite rehabilitation camps for the distribution of Aids and Appliances to persons with disabilities in the country. The procedure involves conducting the assessment followed by distributing the aids and appliances to the persons with disabilities identified during the assessment camp. The support of the Office of the District Magistrate/Collector is always ensured in conducting the camps. The procedure involves the following steps:

16.1 Publicity

Before conducting the camps, wide publicity is given through printed handouts and are distributed in the regional language.

16.2 Professionals involved

Generally, the camp professionals are Clinical/rehabilitation psychologists, psychiatrists, Special Educators (ID), and other therapeutic staff such as physiotherapists, occupational therapists, and Speech therapists.

16.3 Data maintenance

Following data are maintained concerning ADIP activities:

- Case registration form of each client covered in the camp
- Assessment forms
- Preparing the details of aids and appliances, category-wise
- Details of the distribution of aids and appliances
- Computerized documentation of the 21-column register

16.4 Financial Support

NIEPID Secunderabad extends financial support, to create awareness regarding ADIP camp, the conduct of identification and assessment camp, procurement of aids and appliances and their distribution. During assessment and distribution camps, the beneficiaries and escorts are provided refreshments.

16.5 Networking

Networking with local NGOs and establishing linkages with medical colleges/district hospitals / rural hospitals / PHCs/ DDRCs / any other professionally competent agency for the care of the beneficiaries and aids/appliances is ensured.

16.6 Follow up

Follow up services are organized in coordination with the existing NGOs to help the beneficiaries assisted under the scheme about using aids and appliances supplied to them and other related services required for the Rehabilitation of Persons with Disabilities.

16.7 Distribution of TLM KITS

A total of **8,658** TLM Kits were distributed to persons with disabilities during the year 2022-23 under the ADIP scheme. In total, 125 camps were conducted to distribute TLM kits under ADIP Scheme during the year 2022-23, benefiting **5,337** PwIDs. NIEPID HQs, RCs and CRCs centre based programmes were conducted benefiting **3,321** PwIDs. The details of the distribution camps of aids and appliances are given in **Table 41**. An amount of Rs.937.16 Lakhs was spent during the year under this scheme.

Chapter 17

Helpline (Toll-free Number)

The Institute has created a Toll-free number 18005726422 on 25.05.2020 at NIEPID for the benefit of parents of PwIDs to avail telecall services in any field related to Intellectual Disability. This has the facility to connect to all the departments of NIEPID, namely: Early Intervention Services, Medical Sciences, Special Education, Speech Therapy, Physiotherapy, Occupational Therapy and Adult Independent Living Services. This helpline also has the facility to connect to the department of all the Regional Centres of NIEPID and CRC's under NIEPID. This has been very useful for the parents who seek services, especially during the pandemic situation where the clients could not reach the professionals directly because of lockdown. All the follow-up services were availed through tele services.

The Psychology-related cases are being diverted to KIRAN Mental health helpline No.1800 599 0019 of DEPwD, MSJ&E.

17.1 XVIII National Parents Meet:

The two days National Parent Meet (NPM) sponsored by NIEPID and organized by PARIVAAR – National Confederation of Parents' Organizations, was held on 12th & 13th November 2022 in Thrissur, Kerala. More than 300 Parents and persons with intellectual and developmental disabilities (PwIDDs), from 18 states participated in the NPM. The theme of NPM was "Equal Livelihood Opportunities & Living with Dignity".

Major B.V. Ram Kumar, Director (Offg), NIEPID, narrated how collaboration between NIEPID and education depts. of state governments is promoting Inclusion and recommended Special Schools to admit mainstream children and follow experiential curriculum. Cdr. Bijur, President Parivaar, spoke on the need to promote livelihood schemes for PwIDD in rural and urban locations utilizing the parents' network and schemes of local governments.

17.2 Regional Parents' Meets 2022-23:

In addition to the National Parents' Meet, NIEPID also organizes Regional Parents' Meet (RPM) with the objective to provide focused attention on the concerns of parents at regional levels. These regional parents' meets are organized in liaison with the National Federation of Parents Associations and in collaboration with one of the registered parents' association from the selected region. It is also expected that these regional parents' meets facilitate the expansion of the network of parent's association to form more self-help groups and address the regional issues related to persons with intellectual disability and their parents. In the year 2022-23, 2 RPMs were held benefiting **651** parents. The details are presented in (Table 42).

Table 42: List of Regional Parents Meets 2022-23

S.No	Activity	From	To	Place	No of Beneficiaries
1	Regional Parents Meet	15.10.2022	16.10.2022	Vashi, Navi Mumbai, Maharashtra	357
2	Regional Parents Meet	28.10.2022	29.10.2022	Silchar, Cachar, Assam	194
				Total	651

17.3 XXVIII Special Employees National Meet:

The 28th Special Employees National Meet was held on 21st & 22nd February 2023 at NIEPID, Secunderabad. Shri B.V. Ram Kumar, Director (offg), NIEPID visited the stalls exhibited by the special employees and organizations. Representatives of NGOs from 15 states have participated in the event. A total of 103 special employees participated in the programme.

17.4 National Conference on “Inclusive Education”:

National Conference on Inclusive Education (NCIE) – 2022 was held on 24-25 November, 2022. The Conference was inaugurated by Prof. D. Ravinder, Vice Chancellor, Osmania University. The Vice Chancellor has emphasized the importance of inclusion of disadvantaged section in the mainstream society in his inaugural address. He also proposed to open a Research Center for Ph.D programs in collaboration with NIEPID and OU departments. Major B.V. Ram Kumar, NIEPID Director (Offg) presided over the inaugural function. He emphasized the importance of conducting this conference in the context of National Education Policy, 2022. A total of 240 professionals attended the Conference.

17.5 National Conference on “Self Advocacy”:

NIEPID conducted National Conference on "Self Advocacy of PWIDs" in collaboration with PARIVAAR - National Confederation of Parents Organizations (NCPO) from 21st to 22nd February 2023 at NIEPID, Secunderabad. Paper presentations, Posters display was also held at Conference Hall, NIEPID. The conference was attended by 145 professionals.

17.6 Teacher Training Programme

NIEPID in association with Education Department, Govt. of Sikkim Conducted Teacher Training programme on Disability Rehabilitation and Schemes and Benefits for PWD at Modern Sr. Secondary School, Tathangchen, Gangtok, Sikkim and at Govt. Sr. Secondary School, Peling, Gyalsing, West Sikkim on 11th & 13th February 2023. A total of 197 teachers were attended.

18.3 Activities and achievements of vigilance unit

NIEPID has organized Vigilance Awareness week from 31st October to 6th November 2022 at NIEPID, Secunderabad Shri B.V.Ram Kumar Director (Offg), and staff attended this programme.

Vigilance Awareness week

18.4 Hindi implementation

The Institute is committed to implementing the Official Language Act, Policy and rules of Government of India at its HQs and its regional centres located at Delhi, Mumbai and Kolkata and MSEC, New Delhi. The Institute made all sincere efforts to propagate Hindi as an Official Language and has striven to achieve the targets set by the Department of Official Language, Ministry of Home Affairs, Govt. of India, New Delhi by organizing various programmes to promote usage of Hindi in the Office work.

1. Compliance of the rules:

The Annual Programme 2022-23 was discussed in the meeting of OLIC of the Institute and was circulated among all the departments. Every effort was made to achieve the targets set in the Annual Programme. The letters received in Hindi were replied to in Hindi only, and all the documents that come under Section 3(3) of the OL Act, viz., general orders, memoranda, etc., were issued bilingually. The letters originating to the offices located in region A, B, and central government offices in region C were sent in bilingual.

2. Hindi Workshops:

Hindi workshops were organized during the year in order to acquaint the staff with the Official Languages Act, 1963, Official Language Rules, 1976. Keeping in view the Covid situation, online workshops were conducted during the year. The staff members of the Institute benefited through these workshops.

3. Official Language Implementation Committee:

The Rajbhasha Karyanvayan Samithi of the Institute consists of members of all the Departments and sections of the Institute. The Deputy Director (Admn.), who is the Hindi Implementation Officer, is the Chairperson of the Committee, and the Hindi staff are Member-Convenors. The committee met quarterly to discuss various issues relating to the implementation of the Official Language and steps to be taken to propagate Hindi as an Official Language. The Hindi staff also attended meetings of Town Official Language Implementation Committee.

4. Training

As per the orders of Govt. of India, the staff members are sent for training in Hindi language, typing and stenography to the Central Hindi Teaching Scheme.

5. Hindi Fortnight celebrations

To propagate and encourage the staff members to work in Hindi, Hindi Fortnight was celebrated in the Institute from 14-28 September 2022. During the celebrations, the staff were acquainted with various rules of the official language. In order to motivate the staff to work in Hindi and understand the simplicity of the language, the following competitions were organized for the staff and students of the Institute.

- a) Essay writing,
- b) Slogan writing
- c) Hindi Reading competition
- d) Hindi poetry writing competition

- e) Hindi word building competition
- f) Hindi Debate competition
- g) Quiz programme

The winners of the competitions were given prizes during the closing ceremony of fortnight celebrations.

6. Periodical returns

The Institute submitted timely quarterly and annual returns concerning usage of Hindi in the prescribed form to the Ministry. The Citizen Charter and the Institute's website are made available in bilingual. The Institute's "Learn a Hindi Word every day" scheme continues in all the departments.

18.5 Council Meetings

The details of the council meetings of the Institute held during 2022-23 are presented in **Table 46**. The names of the nominated members under each Council are presented at **Appendices A & B. (Pages: 89 & 91)**.

Table 46: Details of the Council Meetings during the year 2022-23

Sl. No.	Meeting	Number	Date	Place
1.	General Council	43	19/05/2022	NIEPID, Secunderabad
2.	General Council	44	25/11/2022	Through Hybrid Mode
3.	Executive Council	124	06 th & 07 th May, 2022	NIEPID, Secunderabad
4.	Executive Council	125	16/08/2022	Through virtual mode

9.	Executive Council	130	24/03/2023	Through virtual mode

18.6 Right to Information Act 2005

NIEPID has been implementing the Right to Information Act 2005 since the year 2005. Under Section 4(1) (b) of the Right to Information Act., 2005, the institute's website has uploaded the relevant information about the institute in the separate provision given for RTI Act. The institute has the Public Information Officer (PIO) at a group A level, an Assistant Public Information Officer at group B level and an Appellate Authority at group A level. Apart from these officials, the Regional Centres of NIEPID at New Delhi, Kolkata and Navi Mumbai have the Officer In-charge as Assistant Public Information Officer. The NIEPID MSEC has the Principal as the Assistant Public Information Officer. During 2022-23, the institute received 153 applications under RTI, and 150 were disposed of.

18.7 Estate Activities

The Estate section takes care of the new constructions and maintenance of infrastructure at NIEPID and its Regional Centres. The construction activities undertaken during the year 2022-23 are given in **Table No. 47**

Table 47: Construction Activities at NIEPID – 2022-23

Sl. No	Name of the Project	Date of approval of the project	Preliminary cost of the Project	Funds released by the Ministry	Present status	Date of completion of Project
1	Construction of Building for CRC-Davangere	08.02.2022	Rs.24.61 Crores	Rs.10.52 Crores	Foundation work is completed (i.e till Plinth Beams).	15 months from the date of award of contract.
2	Construction of Building for CRC-Rajnandgaon	28.03.2022	Rs.24.28 Crores	Rs.10.34 Crores	Foundation work is completed (i.e till Plinth Beams).	21 months from the date of award of contract.

18.8 Institute Committees

The Bye-Laws of NIEPID provides the following committees to transact its activities:

- General Council (**Appendix-A, page 89**)
- Executive Council (**Appendix-B, page 91**)
- Academic Committee
- Internal Committees (**Table No. 48**)

Key Achievements

- A total of 2,196 new clients & 10,622 follow-up clients were seen; they were provided with 34,062 support services during the year.
- During the year, 24 Short term programmes were conducted benefiting 3,087 professionals.
- During the year, 28 Webinars were conducted benefiting 2,441 professionals.
- During the year, 565 Parents/Caregivers were given training through 8-Parent Training Programmes.
- During the year, 3,474 Persons were given training through the 14 Awareness Training Programmes.

Rights of Persons with Disabilities Act, 2016

The enactment of the Rights of Persons with Disabilities Act, 2016 (RPwD Act 2016) fulfils the obligations to the United Nations Convention on the Rights of Persons with Disabilities (UNCRPD), to which India is a signatory.

The Act came into force in December 2016. This Act replaces the Persons with Disabilities (Equal Opportunities, Protection of Rights and Full Participation) Act, 1995. It emphasizes implementing principles such as respect for inherent dignity, individual autonomy, including the freedom to make one's own choices and the independence of persons. The act lays stress on non-discrimination, complete and adequate participation and inclusion in society, respect for difference and acceptance of disabilities as part of human diversity and humanity, equality of opportunity, accessibility, equality between men and women, respect for the evolving capacities of children with disabilities, and respect for the right of children with disabilities to preserve their identities.

The Act comprising the following 17 chapters is annexed with a Schedule that details various types of Disabilities covered under the Act.

Chapter 1: Preliminary – Discusses definitions

Chapter 2: Rights and entitlements of PWDs

Chapter 3: Education of PWDs

Chapter 4: Skill Development and Employment

Chapter 5: Social security, health, rehabilitation and recreation

Chapter 6: Special provisions for persons with benchmark disabilities

Chapter 7: Special provisions for persons with disabilities with high support needs

Chapter 8: Duties and responsibilities of appropriate governments

Chapter 9: Registration of institutions for persons with disabilities and grants to such institutions

Chapter 10: Certification of specified disabilities

Chapter 11: Central and state advisory boards on disability and district level committees

Chapter 12: Chief Commissioner and state commissioner for persons with disabilities

Chapter 13: Special Court

Chapter 14: National Fund for PWDs

Chapter 15: State fund for PWDs

Chapter 16: Offences and penalties

Chapter 17: Miscellaneous – discussing on power to remove difficulties, power to amend the schedule, power of central government to make rules, etc.,

The types of disabilities covered have been increased from 7 to 21. In addition, the Central Government may notify any other category. Persons with “benchmark disabilities” are defined as those to have at least 40 per cent of the disabilities specified below in

Table 59.

Table 59: Types of Disabilities covered under RPWD Act, 2016

Types of Disabilities covered under Rights of Persons with Disabilities Act, 2016		
Blindness	Mental Illness	Speech and Language disability
Low-vision	Autism Spectrum Disorder	Thalassemia
Leprosy Cured persons	Cerebral Palsy	Haemophilia
Hearing Impairment (deaf and hard of hearing)	Muscular Dystrophy	Sickle Cell disease
Locomotor Disability	Chronic Neurological conditions	Multiple Disabilities, including deaf blindness
Dwarfism	Specific Learning Disabilities	Acid Attack victim
Intellectual Disability	Multiple Sclerosis	Parkinson's disease

INTELLECTUAL DISABILITY

The nomenclature of mental retardation is replaced by intellectual disability and is defined in the act as:

Intellectual Disability, a condition characterized by significant limitation both in intellectual functioning (reasoning, learning, problem-solving) and in adaptive behaviour, which covers a range of everyday, social and practical skills, including,

- “specific learning disabilities” means a heterogeneous group of conditions where there is a deficit in processing language, spoken or written, that may manifest itself as a difficulty to comprehend, speak, read, write, spell or to do mathematical calculations and includes such conditions as perceptual disabilities, dyslexia, dysgraphia, dyscalculia, dyspraxia and development aphasia;
- “autism spectrum disorder” means a neuro-developmental condition typically appearing in the first three years of life that significantly affects a person's ability to communicate, understand relationships, and relate to others and is frequently associated with unusual or stereotypical rituals or behaviours.

RIGHTS AND ENTITLEMENTS

The Rights and Entitlements provides that it is the responsibility of the appropriate government to take adequate measures to ensure that the

- persons with disabilities, including women and children, enjoy their rights equally with others,
- enjoy the community life,
- protect the PWDs from cruelty and inhuman treatment, abuse, violence and exploitation,
- ensure protection and safety,
- provide home and family as required,
- ensure reproductive rights,
- accessibility to voting, justice,
- enjoy the legal capacities equally with others
- Guardianship by District Court under which there will be joint decision-making between the guardian and person with disability

Education

The act has recognized the growing need of inclusive education and accessibility. The act directs in section 16, that the appropriate Government and the local authorities shall endeavor that all educational institutions funded or recognized by them provide inclusive education to the children with disabilities and towards that end shall-

- (i) admit students with disabilities without discrimination and provide education and opportunities for sports and recreation activities equally with others;
- (ii) make building, campus and various facilities accessible;
- (iii) provide necessary support individualized or otherwise in environments that maximize academic and social development consistent with the goal of full inclusion;
- (iv) detect specific learning disabilities in children at the earliest and take suitable pedagogical and other measures to overcome them;
- (v) provide transportation facilities to the children with disabilities and also the attendant of the children with disabilities having high support needs.

Further it has also given the following special measures to be taken by the appropriate Government and the local authorities shall take the following measures for the purpose of section 16, namely:-

- (a) to conduct survey of school going children in every five years for identifying children with disabilities, ascertaining their special needs and the extent to which these are being met: Provided that the first survey shall be conducted within a period of two years from the date of commencement of this Act;
- (b) to train professionals and staff to support inclusive education at all levels of school education;
- (c) to provide books, other learning materials and appropriate assistive devices to students with benchmark disabilities free of cost up to the age of eighteen years;
- (d) to provide scholarships in appropriate cases to students with benchmark disability;
- (e) to make suitable modifications in the curriculum and examination system to meet the needs of students with disabilities such as extra time for completion of examination paper, facility of scribe or amanuensis, exemption from second and third language courses;

Skill Development and Employment

Under Vocational training and self-employment, the following directions have been given:

- (1) The appropriate Government shall formulate schemes and programmes including provision of loans at concessional rates to facilitate and support employment of persons with disabilities especially for their vocational training and self-employment.
- (2) The schemes and programmes referred to in sub-section (1) shall provide for—
 - (a) inclusion of person with disability in all mainstream formal and non-formal vocational and skill training schemes and programmes;
 - (b) to ensure that a person with disability has adequate support and facilities to avail specific training
 - (c) exclusive skill training programmes for persons with disabilities with active links with the market, for those with developmental, intellectual, multiple disabilities and autism;

Special Provisions for Persons with Benchmark Disabilities

The following additional benefits have been listed down for persons with benchmark disabilities:

- Additional benefits such as reservation in higher education (not less than 5%), government jobs (not less than 4 %), reservation in allocation of land (5% allotment) etc. have been provided for persons with benchmark disabilities and those with high support needs.
- 5% reservation in all poverty alleviation and various developmental schemes with priority to women with benchmark disabilities.
- Every child with benchmark disability between the age group of 6 and 18 years shall have the right to free education.
- Government funded educational institutions as well as the government recognized institutions will have to provide inclusive education to the children with disabilities.
- For strengthening the Prime Minister's Accessible India Campaign, stress has been given to ensure accessibility in public buildings (both Government and private) in a prescribed time-frame.

AUTHORITIES

- Broad based Central and State Advisory Boards on Disability are to be set up to serve as apex policy making

bodies at the Central and State level

- The CCD and also the State Commissioners have been strengthened who will now act as regulatory bodies and grievance redressal agencies and also monitor implementation of the Act
- District level committees will be constituted by the State Governments
- National and State Fund will be created to provide financial support to PWDs

PENALTIES FOR OFFENCES

- The Act provides for penalties for offences committed against persons with disabilities and also violation of the provisions of the new law.
- Any person who violates provisions of the Act, or any rule or regulation made under it, shall be punishable with imprisonment up to six months and/ or a fine of Rs 10,000, or both. For any subsequent violation, imprisonment of up to two years and/or a fine of Rs 50,000 to Rs five lakh can be awarded.
- Whoever intentionally insults or intimidates a person with disability, or sexually exploits a woman or child with disability, shall be punishable with imprisonment between six months to five years and fine.
- Special Courts will be designated in each district to handle cases concerning violation of rights of PwDs.

The above is a briefing of the salient features of the RPwD Act. It is suggested to go through the complete act for full details. <https://disabilityaffairs.gov.in>

SEPARATE AUDIT REPORT OF THE COMPTROLLER AND AUDITOR GENERAL ON THE ACCOUNTS OF THE NATIONAL INSTITUTE FOR THE EMPOWERMENT OF PERSONS WITH INTELLECTUAL DISABILITIES (NIEPID), SECUNDERABAD FOR THE YEAR ENDED 31 MARCH 2023

We have audited the attached Balance Sheet of the National Institute for the Empowerment of Persons with Intellectual Disabilities (Divyangjan) (NIEPID), Secunderabad, as at 31 March 2023, Income & Expenditure Account and Receipts & Payments Account for the year ended on that date under Section 20(1) of the Comptroller & Auditor General's (Duties, Powers & Conditions of Service) Act, 1971. The audit has been entrusted for the period up to 2023-24. These financial statements include the accounts seven sub-units of NIEPID, i.e. three (RCs) Regional Centers at New Delhi, Kolkata, Mumbai, Model Special Education Centre (MSEC) at New Delhi and the three Composite Regional Centres (CRC) at Nellore, Davangere and Rajnandgaon. These financial statements are the responsibility of the Institute's Management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller & Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/CAG's Audit Reports separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

- i. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- ii. The Balance Sheet, Income & Expenditure Account and Receipts & Payments Account dealt with by this report have been drawn up in the format approved by Ministry of Finance, Government of India.

iii. In our opinion, proper books of accounts and other relevant records have been maintained by the Institute.

iv. We further report that:

A. Balance Sheet

A.1 Corpus/Capital Fund And Liabilities – ₹116.31 CRORE

Reference Number: OBS-728400

A.1.1 Earmarked/Endowment Funds – ₹12.61 crore

This did not include an amount of ₹9,83,96,294 being an unspent balance pertaining to SIPDA CNA¹ account. An amount of ₹21,16,06,764 has been received towards SIPDA CNA account during the year 2022-23 out of which an amount of ₹11,70,23,562 was utilized leaving a balance of ₹9,83,96,294 as the end of March 2023.

Though the funds released were for specific or earmarked purpose the Institute has shown transactions in Receipt and Payment Account instead of booking under Earmarked funds (Schedule 3).

This resulted in understatement of Earmarked Funds and Current Assets to the extent of ₹9.84 crore.

B. Income And Expenditure

B.1 Income – ₹37.12 crore

Reference Number: OBS-728495

B.1.1 Interest Earned – ₹32.23 lakh

This did not include an amount of ₹62,65,242 being an interest accrued on P&G funds which should be shown under Schedule 11 as well as Schedule 17. However, in Schedule 11 – Current Assets, Loans and Advances interest accrued upto FY 2022-23 was exhibited as ₹29,60,287 instead of ₹92,25,529². The same was not taken to the Income & Expenditure account.

This resulted in Understatement of Accrued Interest in Current Assets by an amount of ₹62,65,242 and Understatement of Schedule 17-Interest earned to the same extent.

Reference Number: OBS-735999

B.1.2 Deficit – ₹2.14 crore

¹ SIPDA is an umbrella scheme and consists total 10 sub schemes and financial assistance is provided under these sub schemes to State Governments /Autonomous bodies.

² ₹29,60,287 – Accrued interest upto 2021-22 + ₹.62,65,242 for the year 2022-23.

This did not include an amount of ₹12,55,581 being deficit in GPF Account during the FY 2022-23 as detailed below:

GPF deficit upto 2021-22	GPF deficit upto 2022-23	GPF deficit pertaining to year 2022-23
1	2	(2)-(1)
₹19,20,099	₹31,75,680	₹12,55,581

This deficit has arisen due to the difference of the interest earned on FDs of GPF account and interest payable to GPF subscribers.

This resulted in understatement of deficit by ₹12,55,581 .

C. General

Reference Number: OBS-741257

C1. Non-amortization of lease hold land at Khargar amounting to ₹38,21,422

Land leased from City and Industrial Development Corporation of Maharashtra Ltd (CIDCO) at Khargar amounting to ₹38,21,422 in 2004 for a period of 60 years has not been amortized.

D. Grants-in-aid: During the year, the Institute had received a Grants-in-aid of ₹ 40.39³ crore the entire amount was utilized during the year (as on 31st March 2023).

E. Management Letter: Deficiencies which have not been included in the Separate Audit Report have been brought to the notice of the Director, NIEPID through a Management letter issued separately for remedial / corrective action.

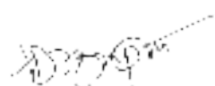

Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, Income & Expenditure Account and Receipts & Payments Account dealt with by this Report are in agreement with the books of accounts.

v. In our opinion and to the best of our information and according to the explanations given to us, the said financial statements read together with the Accounting Policies and Notes on Accounts and subject to the significant matters stated above and other matters mentioned in Annexure to this Audit Report, give a true and fair view in conformity with accounting principles generally accepted in India:

a. In so far as it relates to the Balance Sheet, of the state of affairs of National Institute for the Empowerment of Persons with Intellectual Disabilities (Divyangjan) (NIEPID), Secunderabad, as at 31 March 2023; and

b. In so far as it relates to Income & Expenditure Account of the **Deficit** for the year ended on that date.

³ ₹32,66,21,000 (Revenue) + ₹7,73,28,000 (Capital)

(Anindya Dasgupta)
Principal Director of Audit (Central), Hyderabad

ANNEXURE TO SAR

1. **Adequacy of Internal Audit System:** It does not have its own Internal Audit Wing. Internal Audit has been conducted by Chartered Accountant firms for the year 2022-23.
2. **Adequacy of Internal Control System:** Internal control system is adequate.
3. **System of Physical verification of fixed assets:** Annual Physical verification of Fixed Assets has been conducted for the year 2022-23.
4. **System of Physical verification of inventory:** Annual Physical verification of inventory has been conducted for the year 2022-23.
5. **Regularity in payment of statutory dues:** Statutory dues were paid regularly.

(Ch.V. Sai Prasad)
Director/ Central Expenditure Audit
O/o Principal Director of Audit (Central)
