## RAYAT SHIKSHAN SANSTHA

Rayat Shikshan Sanstha, Satara was founded by Late Padmabhushan Dr. Karmaveer Bhaurao Patil in 1919. "Education through Self Help" is our motto. Today, our Sanstha is a biggest educational institute in India. It has worked for up-liftment of socially and economically deprived people through education, primarily in rural area. Sanstha has been working in 14 districts of Maharashtra and 1 district of Karnataka and has 674 branches including 41 colleges.

## ABOUT THE COLLEGE

Karmaveer Bhaurao Patil College, Vashi, (Previously known as Modern College) is one of the flourishing branches of the Rayat Shikshan Sanstha and well reputed in Mumbai University. Since its inception in 1979, the college has been galloping towards academic quality education and infrastructural accomplishment.

## ABOUT THE DEPARTMENT

The Department of Psychology has been functional since the inception of the college (July 1979). It started offering undergraduate program in Psychology since 2017-18. The counseling center is functional since 2006. The faculty started undertaking major research projects since 2009 and international collaborative researches in 2011. Since last six years, the department has successfully organized two international conferences and two workshops on the theme of „Life Skills“. The department also offers skill based certificate course in „Psychological First Aid“.

## ABOUT CONFERENCE

People are always curious about roots of happiness as they strive to improve their health and happiness. It is a well known fact that health improves happiness and happiness reduces the risk of both physical and psychological diseases and disorders. Psychological research is not only aimed at improving the human understanding of how the psychological factors can predict better and poor health Outcomes but also ensure the everlasting happiness for an individual. The psychologists are aware that addictions, isolations, discrimination, prejudice, crimes, wars, terrorism, etc are

challenges to humanity and technology has also added new challenges to it.

We at the department of Psychology felt the need to create a platform for the academicians, researchers and individuals interested in their health, happiness and humanity at large to share their knowledge and research findings with others. We believe that this national conference will serve as a place where recent advances in the field of Health Psychology, Positive Psychology, I/O Psychology, Indigenous Psychology, Cultural Psychology, Criminal & Forensic Psychology, and Cyber psychology will be discussed.

## ABOUT THE NIEPID
